

Request For Board Action

REFERRED TO BOARD: April 6, 2015

AGENDA ITEM NO: 4

ORIGINATING DEPARTMENT: Parks and Recreation

SUBJECT: Approval of a Resolution Authorizing the closure of Lake Street Between Victoria and Main on April 10, 2015 from 6:30 PM to 8:00 PM for the Antioch Theatre Grand Opening

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

The Antioch Theatre is requesting the closure of Lake Street between Main and Victoria on Friday, April 10 from 6:30-8 PM to conduct a grand opening related to the completed renovation. Their plans include the opening of the movie Fast and Furious 7 which would be shown that night for the public. They are planning on having 4 to 6 cars (corvettes) from Raymond Chevrolet onsite parked inside of this zone during the event. They are also planning on giving away balloons, popcorn and possibly other things. They have indicated that the road closure would only be needed from 6:30 PM when the cars are to be delivered by the dealership and removed by 8 PM to coincide with the street reopening.

This grand opening will be similar situation that was dealt with in February with the marquee lighting the CERT team would again handle the traffic closure and safety of the zone during this period of time. They have submitted a special event application related to the event in which they ask for the time frame of 1.5 hours of street closure. I have spoken with Cindy Kottke about notification to their surrounding businesses related to this request to close the street. At this point we are asking the board for permission to conduct the road closed during the period of 6:30-8 PM on April 10, 2015 to conduct the Grand Opening of the Antioch Theatre.
