Dear Principal Zarco,

On May 20, 2015 you and your staff volunteered time to assist in a community project for the purpose of beautifying the community. This project focused on the weeding and mulching of community spaces at Metra, Williams E. Brook Memorial Wetland & Entertainment Center, warming shelter, and community garden.

Your actions are impressive and our community is extremely fortunate to have dedicated individuals like yourselves. I commend you and all of the Antioch Upper Grade School staff for the great work that you have done to improve the look of the village. The efforts of all involved have helped to set a great example for all of Antioch.

On behalf of the Board of Trustees, I extend my sincerest gratitude to you and your staff and appreciate all of your hard work and efforts. Please pass along my appreciation to the volunteers that helped make the event such a success.

Sincerely,

Lawrence M. Hanson
Mayor
