SCHOOL CLOSINGS, SNOWY WEATHER In preparation for potentially adverse weather conditions, we provide you with the following information: Camp Crayon follows the same bad weather closings as announced by Antioch School District #34. If District #34 is closed, so is Camp Crayon. You may also check the school's website for closing information, www.antioch34.com. The Village of Antioch website provides a link to District 34's website under the Parks Department page. You may also tune in to the school closing information on WKRS Radio (1220 AM) when the weather is questionable. Camp Crayon does not make up days missed due to inclement weather nor do we give refunds. If your child wears boots to school, please send him/her with a pair of dry shoes to change into upon arrival at school. This will help us keep the floor as dry/clean as possible to avoid slipping and falling.

DEVELOPMENTAL SCREENING School District #34 offers a free developmental screening for children ages 3-5 who are not yet eligible for kindergarten and reside within District 34 boundaries. What is a developmental screening? A child's cognitive, fine and gross motor, speech and language, vision and hearing, self-help and social emotional skills are screened. There is also a family questionnaire and interview. For questions or to set up a screening, please contact Heather Potocek at 847.838.8261 or hpotocek@antioch34.com

SUMMER CAMPS The Parks & Recreation Department offers a variety of summer camp programs. The Spring/Summer program brochure will be mailed to all Village and Township residents at the end of the month. Make sure to take a look at all the opportunities available.
