Dear Vendor,

We are pleased to announce the Antioch Farmers Market will be back again in 2013. Due to the success of the 2012 market, this was an easy decision.

The market will begin on Thursday June 6th and last until mid-October this year and will again coincide with the annual "It's Thursday" summer concert series for the majority of the summer. The market will start at 3:00 p.m. and end at 7:00 p.m. The concerts will start at 7:30.

The location will remain the same as it has for the last 2 years. That location is at the corner of Main Street (route 83) and Depot Street.

The 2013 Farmers Market there will cost \$50.00 fee per marketer for the entire season. This fee will be used to create marketing materials to help increase the awareness of the market location and time frames. There is also a fee for obtaining a temporary food service permit from the Lake County Health Department if you are required to do so. Please review the requirements and food categories for permits within the "2013 Temporary Food event Packet". Please visit the Lake County Health Department webpage or go to our web page at www.antioch.il.gov to find the link to the Health Department. You can also contact the Lake County Health Department and Community Health Center at (847) 377-8040

If you are interested in reserving a location, please fill out the included application and send back by ASAP. There are a limited number of spaces available so this will be done on a first come first serve basis. A complete and accurate list of all items that you wish to sell must accompany your application and will be reviewed by the Market Managers. All decisions are final. Once you apply, you will be sent a listing of our rules and regulations. Please do not hesitate to call or write if you have any questions.

Sincerely,

Shawn Roby
Director of Parks & Recreation
