Dear Mayor and Board of Trustees,

As the State Representative who represents the Village of Antioch, I wish to extend my congratulations on the celebration of your 125 years of incorporation. Antioch is a vibrant and welcoming community with a rich history that has added great value to Lake County, the State of Illinois and our nation.

Over the years, Antioch has transformed from a vacation destination to a beautiful family community with a growing economy that is home to many wonderful businesses, like the world renowned Pickard China, and a highly rated high school that is producing the leaders of tomorrow.

Congratulations on 125 years, and may the next 125 be filled with many more rich stories and contributions to our county, state and country.

Best Wishes
