PAMELA J. ALTHOFF

STATE SENATOR · 32ND DISTRICT
REPUBLICAN CAUCUS CHAIR

July 21, 2017

As State Senator serving District 32 in the State of Illinois, I am honored and pleased to congratulate the Village of Antioch on the celebration of their 125th anniversary.

The Village of Antioch has a long standing and vibrant history reaching back beyond 125 years. After the Native American Pottawatomi Indians left the area in 1832, the first permanent settlement and first business was created in 1839. The village continued to flourish and grow...and officially incorporated as the Village of Antioch into Lake County in 1892.

Even back in the late 1800's Antioch was known as a popular tourist destination. Antioch's reputation continues to this day as a quaint town to visit for shopping, dining, its open spaces and wonderful outdoor recreational opportunities.

The Village of Antioch holds true to its vision of offering a quality of life each and every resident can enjoy; good schools, shopping, employment opportunities, transportation and community services.

I again, offer my congratulations on the 125th Anniversary of the Village of Antioch and wish the Village and its residents many more years of successful growth.

Regards,
