
Addendum #1

Date: February 23, 2022

Request For Proposals: 4th of July Fireworks Display

To: All Potential Respondents

This addendum is issued to modify the previously issued RFP documents.

The following is listed under “Vendor Responsibilities” in the request for proposals:

The display must be electronically fired and possibly choreographed to music. A sample of the choreography to be included with the proposal

That section shall be replaced with the following:

The display can be either manually or electronically ignited and possibly choreographed to music. A sample script of choreography to be included with the proposal. Manually fired shells shall be ignited by lighting the tip of the fuse with a fusee, torch, portfire or similar device.
