### Come Check Out the New Pavilion!!

Because of the amazing success of the annual Lions Club of Antioch Foundation's Chicken BBQ, Auction & Family Picnic, the Lions Club was able to build a second pavilion at William's Park this past year! This project was made possible with help from the Village of Antioch, as well as our amazing supporters. The pavilion will be used for a variety of community events!

**Thank you Antioch for your support!**

**Thank you to our event sponsors!**
