New Digital Flood Insurance Rate Maps are here!

The Illinois State Water Survey (ISWS) is inviting county residents to attend and learn more about the project. By attending you will have the opportunity to:

- ❖ Locate your property on the recently revised countywide, digital Flood Insurance Rate Map (FIRM)
- ❖ View the revised Flood Insurance Study (FIS) report
- ❖ Review the map panels & FIS for accuracy & submit comments
- ❖ Learn about the National Flood Insurance Program (NFIP)

Representatives from the ISWS, the Illinois Department of Natural Resources and the Federal Emergency Management Agency will be on hand to answer questions and accept comments.
