FOR IMMEDIATE RELEASE

Terrific 2's and 3's Class coming to Antioch Parks and Recreation!

Your child is ready for pre-school, but their birthday is after Sept 1. Camp Crayon Preschool is offering a new class for your 2 ½ year olds. Children will have a terrific time developing and enhancing their listening skills, learning to play with other children and working on large and small motor skills. This is a terrific opportunity to introduce your toddler to a school setting. Class will be 2 hours each on Tuesday and Thursdays, starting mid September. Watch the program brochure for details.
