WHEREAS, it is the policy of the Village Board to maintain the strictest possible control over the number of liquor licenses that are created for the protection of the health and well-being of the community, and

WHEREAS, the Village Board has, until the present, not established formal rules for applicants to follow in seeking the creation of liquor licenses, and

WHEREAS, the growth of applications has made it abundantly clear that a process needs to be set in place whereby the Village Board can reasonably know what the applicant wants, what the applicant intends to deliver and whether creating a license is in the best interests of the community, and
