RESOLUTION NO. 20-15

**BP/DOC-3**

1. Project Sponsor: Village of Antioch

2. Project Title: Deep Lake Road Bike Path Extension

The Village of Antioch hereby certifies and acknowledges that it has 100% of the funds  
(local project sponsor)

necessary to complete the pending Bike Path project within the timeframes specified herein for project execution, and that failure to adhere to the specified project timeframe or failure to proceed with the project because of insufficient funds or change in local recreation priorities is sufficient cause for project grant termination which will also result in the ineligibility of the local project sponsor for subsequent Illinois DNR indoor or outdoor recreation grant assistance consideration in the next two (2) consecutive grant cycles following project termination.

**ALL Projects**

It is understood that the project should be completed within the timeframe established in the project agreement and the Final Billing reimbursement request must be submitted within one year of the expiration date. Failure to do so will result in the Project Sponsor forfeiting all project reimbursements, and relieves DNR from further payment obligations on the grant.

The Village of Antioch further acknowledges and certifies that it will comply with  
(local project sponsor)

all terms, conditions and regulations of 1) the PPL 91-646 Grant Program (BP) (17 IL Adm. Code 3070) 2) the federal Uniform Relocation Assistance & Real Property Acquisition Policies Act of 1970 (P.L. 91-646) and/or the Illinois Displaced Persons Relocation Act (310 ILCS 40 et. seq.), as applicable, 3) the Illinois Human Rights Act (775 ILCS 5/1-101 et. seq.), 4) Title VI of the Civil Rights Act of 1964, (P.L. 83-352), 5) the Age Discrimination Act of 1975 (P.L. 94-135), 6) the Civil Rights Restoration Act of 1988, (P.L. 100-259) and 7) the Americans with Disabilities Act of 1990 (PL 101-336); and will maintain the project area in an attractive and safe condition, keep the facilities open to the general public during reasonable hours consistent with the type of facility, cease any farming operations, and obtain from the Illinois DNR written approval for any change or conversion of approved outdoor recreation use of the project site prior to initiating such change or conversion; and for property acquired with Bike Path assistance, agree to place a covenant restriction on the project property deed at the time of recording that stipulates the property must be used, in perpetuity, for public indoor or outdoor recreation purposes in accordance with the Bike Path programs and cannot be sold or exchanged, in whole or part, to another party without approval from the Illinois DNR.

BE IT FURTHER PROVIDED that the Village of Antioch certifies to the best of its knowledge that the information provided within the attached application is true and correct.
