ORDINANCE 20-10-31

AN ORDINANCE DELETING ONE CLASS B LIQUOR LICENSE, TOGETHER WITH ANCILLARY CLASS B-1 AND B-2 LICENSES AND CREATING ONE CLASS A LICENSE ALONG WITH A-1 ANCILLARY LICENSE FOR LUCKY BERNIE'S

WHEREAS, the Village Board previously granted a Class B liquor license along with ancillary B-1 and B-2 licenses to Lucky Bernie's, and

WHEREAS, the establishment has been in operation for a period of approximately 1-1/2 years and has determined that its business plan and model needed to offer a wider range of drinks to attract the type and number of patrons required to reasonably sustain the business, particularly since the economic problems caused by the recent COVID-19 pandemic, and

WHEREAS, the establishment's current group of licenses allows basic restaurant indoor service of beer and wine (B), patio seating (B-1) and package sales of wines (B-2), and

WHEREAS, the Village Board has considered the petition and has determined that the proposal is appropriate for the suggested location and type of business, and that the petitioner has made a substantial investment in its business, and

WHEREAS, the Village Board finds that providing an analogous license which would allow the package sales of wine only by Class A licensees is an inappropriate step that further blurs the distinction between retail stores and restaurants, and for that reason is not considering creating such a license for this business, and

WHEREAS, the Village Board wishes to expand business opportunities wherever possible, for the overall benefit of the citizens and taxpayers of this Village, particularly where the offerings of the proposed business are unique and aimed at a target market that will likely draw people into town,

NOW THEREFORE, BE IT ORDAINED by the Village of Antioch, Lake County, Illinois, as follows:

SECTION ONE: The Village Clerk, acting as the Secretary of the Local Liquor Commissioner is directed to revise the chart of allowed liquor licenses to decrease the number of Class B licenses by 1, along with decreasing the number of Class B-1 and B-2 licenses by one each, effective immediately.

SECTION TWO: The Clerk shall further revise the chart to increase the number of Class A and A-1 liquor licenses by one each, and the Local Liquor Commissioner is authorized to cause the resulting created licenses to immediately issue to Lucky Bernie's.

SECTION THREE: The Clerk shall charge the establishment the sum of \$500.00 as a condition of the issuance of the Class A license to compensate for the difference between the fee charged for a Class B license and the Class A license.

SECTION FOUR: This Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law.

PASSED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS,
ON THIS 12th DAY OF OCTOBER, 2020.
