PREAMBLES

WHEREAS:

A. The Village of Antioch, Lake County, Illinois (the "**Village**"), is a duly organized and existing municipality and unit of local government of the State of Illinois (the "**State**"), and is operating under and pursuant to the provisions of the Illinois Municipal Code, and all laws amendatory thereof and supplementary thereto, including the Local Government Debt Debt Reform Act of the State of Illinois, as amended (the "**Debt Reform Act**").

B. The President and Board of Trustees of the Village (the "**Corporate Authorities**") have heretofore determined and do hereby determine that it is necessary and in the best interests of the public health, safety and welfare of the Village to refund the Village's outstanding Waterworks and Sewerage Revenue Bond, Junior Lien (IEPA), Series 2008, dated April 25, 2008 and an outstanding loan agreement with the Illinois Environmental Protection Agency, being the L17-0356 Loan payable of 2007 (all of the costs and incidental expenses thereof may be referred to as the "**Refunding**").

C. The total estimated costs of the Refunding, as defined, are not more than \$9,000,000.

D. There are insufficient funds of the Village on hand and lawfully available to pay costs of the Refunding.

E. The costs of the Refunding may be paid by borrowing money and issuing bonds pursuant to the provisions of the Debt Reform Act payable from one or more of the following revenue sources: the revenues of the operation of the combined waterworks and sewerage utility system of the Village in accordance with the provisions of Division 139 of Article 11 of the Illinois Municipal Code, as amended (the “**Pledged Revenues**”), and the levy and collection of ad valorem property taxes upon all taxable property in the Village without limitation as to rate or amount, if the Pledged Revenues pledged to the payment of such bonds shall be insufficient to pay such bonds.

F. The Pledged Revenues are enterprise revenues, being revenues of a utility or revenue producing enterprise from which revenue bonds may be payable, and, as provided in the Debt Reform Act, the Village is authorized to issue its alternate bonds in lieu of revenue bonds, payable from the Pledged Revenues, as enterprise revenues, to pay the costs of the Refunding, being a lawful corporate purpose of the Village.

G. It is necessary and in the best interests of the public health, safety and welfare of the Village that the Refunding be undertaken and, in order to raise the funds required for such purpose, it will be necessary for the Village to borrow an amount not to exceed \$9,000,000 and, in evidence thereof, to issue alternate bonds, all as provided by the Debt Reform Act, in an aggregate principal amount not to exceed \$9,000,000, subject to the right of backdoor referendum as herein provided.

Now Therefore Be It And It Is Hereby Ordained by the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, as follows:

Section 3. *Publication.* This Ordinance, including the notice in statutory form set forth herein in Section 4 (the “**Notice**”), shall be published by the Corporate Authorities in the *Lake County News-Sun*, being a newspaper of general circulation in the Village. Electors numbering 811 electors (being equal to the greater of (i) 7.5% of the number of registered voters of the Village or (ii) 200 of those registered voters or 15% of those registered voters, whichever is less) shall have the right to petition that the question of issuing the Bonds be submitted to referendum. The time for filing of any of such petition with the Village Clerk is within thirty (30) days after the date of the publication of this Ordinance and the Notice. If no such petition is filed with respect to the Bonds, then such bonds shall be authorized to be issued, sold, and delivered by the Village. The Bonds shall have as the revenue source pledged to the payment of the principal of and interest on the Bonds therefor one or more of the following revenue sources: (a) from the revenues of the operation of the combined waterworks and sewerage utility system of the Village in accordance with the provisions of Division 139 of Article 11 of the Illinois Municipal Code, as amended; *provided, however*, that if such revenue source or sources pledged to the payment of the Bonds shall be insufficient to pay the Bonds, ad valorem property taxes upon all taxable property in the Village without limitation as to rate or amount are authorized to be levied and extended to pay the principal of and interest on the Bonds.
