**Scott Gartner - Mayor**  
Lori K. Romine, Village Clerk

Dear Friends and Neighbors,

I would like to reintroduce myself; I am your new Park and Recreation Director. I have been with the Village for eight years as a program manager. I am grateful for the appointment from Mayor Gartner as the park's director. I have been tasked by the mayor to refresh our programs and events; with that being said, I need your help. What is your favorite of the parks and recreation and what needs to be changed? The best way to serve this community is with your input. In the coming months all programs/events will follow up with a questionnaire. A simple 5 question, please take a minute and give us your feedback. We are open to all suggestions, comments and ideas.

As we roll into fall and the covid guidelines could be changing, we will do our best to keep programs running safely and continue to follow the CDC and IDPH as our tool. Please be patient as we navigate this next phase of coronavirus.

In closing, fall is a beautiful time to be outside to explore and enjoy all the parks in the Village of Antioch. Take time for Fun.

Sincerely,

Mary M. Quilty

Recognizing that play is a very important aspect of a child's development, the Camp Crayon Preschool is based on the concept of learning through play and simple structured activities.

Our program is a social program for 2, 3, 4, and 5 year olds. It is often a child's first experience away from the home environment. The children in our program will be provided with the opportunity to develop emotional, social, physical and intellectual skills through a variety of creative and fun learning activities.

Classes will begin in September and will run through mid May. To be considered for registration, children must be the correct age by September 1, 2021. There is a maximum of 20 children per class.

The teacher to student ratio is 1:7.

## TIME FOR ME TWO

This fun class provides young children with the opportunity to experience a "preschool" environment before they go to preschool. This is a unique experience between a parent and child. In this class children will participate in many developmentally appropriate activities such as crafts, music, movement, art and playtime. This is a great opportunity for social interactions with peers. Toilet training is not required.
