Recognizing that play is a very important aspect of a child's development, the Camp Crayon Preschool is based on the concept of learning through play and simple structured activities.

Our program is a social program for 2, 3, 4, and 5 year olds. It is often a child's first experience away from the home environment. The children in our program will be provided with the opportunity to develop emotional, social, physical and intellectual skills through a variety of creative and fun learning activities.

Classes will begin in September and will run through mid May. To be considered for registration, children must be the correct age by September 1, 2022. There is a maximum of 20 children per class.

The teacher to student ratio is 1:7.

TIME FOR ME TWO

This fun class provides young children with the opportunity to experience a "preschool" environment before they go to preschool. This is a unique experience between a parent and child. In this class children will participate in many developmentally appropriate activities such as crafts, music, movement, art and playtime. This is a great opportunity for social interactions with peers. Toilet training is not required.

New & Improved Options for Seniors

The Township is using two locations to provide activities and programs for our Seniors. The Village Center (817 Holbek Dr. Antioch), formerly Senior Center, is a government building that is managed and maintained by the Village of Antioch and the Township Center (1625 N. Deep Lake Rd. Lake Villa) which is also a government building owned and operated through an intergovernmental agreement with High School District 117. Lake Villa Township and Antioch Township.

Antioch Township has allocated resources through a dedicated budget, using a small staff of part-time workers to continue to provide and grow our activities for our seniors. The Village has agreed to allow the Township, the first right, to use the Village Center for the senior daily activities that have been in place for many years. The evening and weekend use of the Village Center is managed by the Village's Park and Recreation Department on a first come first serve reservation process.

None of the long-term senior daily activities at the Village Center have been canceled or stopped. But a few activities'

times and location were changed due to staffing and other planned uses of both the Village and Township Centers. Over the last 4 years, the Township has added programs and activities without deleting any of the historical senior center activities. We have worked diligently to build up our registration/membership list of seniors from 120 to now nearly 1,000 seniors to improve our communication channels and reach our growing senior population.

Check out the upcoming programs and events we have scheduled, as well as the daily events we have for seniors. Please sign up to receive our Senior Newsletter by calling the office or stopping by. If you have any questions or suggestions for additional activities and programming, we would love to hear from you. We are happy to serve our seniors and look forward to building and creating meaningful programs for many years to come!

All the best,

Tom Shaughnessy
Antioch Township Supervisor

Congratulations to our 2022 Queens

Miss Antioch Fiona Serifov, Jr. Miss Antioch Jennifer Serifov and Little Miss Antioch Hayley Taylor.

Fiona is a senior at Antioch High School, she enjoys reading, tumbling and yoga. Her philosophy in life is to always be kind to others, because you never know what someone is going through. Fiona's platform is "The Gift of Education." She will advocate for access to education and learning for homeless and foster care youth.

Jennifer is a sophomore at Antioch High School, she enjoys playing the violin, tumbling and journaling. She has a passion for helping people and is open minded and seeks to find new opportunities to help her grow. Jennifer's platform is "Gathering for Green." Jennifer looks to positively influence our community to get involved by cleaning up waste from parks, neighborhoods and resorting to reusable supplies.

Hayley Taylor is a 3rd grader at W.C. Petty school. A perfect day for Hayley is going to the Antioch pool all day with friends. She also enjoys dance, softball, playing the violin and building legos. Her favorite day of the week is Wednesday, she spends it with her Mimi and Big Papa.

We look forward to the coming year and seeing the girls make a difference in our community.
