REFERRED TO BOARD: November 19, 2018

AGENDA ITEM NO: 13

ORIGINATING DEPARTMENT: Administration

SUBJECT: Consideration of a Resolution Authorizing the Village Administrator to execute an agreement with Premier Paving of Northern Illinois, Inc. to complete asphalt patching.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

Two locations were included in an invitation to bid. The first location is on Anita Avenue where an emergency storm sewer replacement was performed by Public Works. A large area of pavement is needed to properly complete this project. The second location is a portion of Grimm Road from IL Route 83 east to the railroad tracks. Due to the poor condition of this section, new business and anticipated vehicle traffic it was included in the bid. With temperatures dropping, the size of the two areas and small window to complete the paving, staff felt it was best to bid these locations.

FINANCIAL IMPACT:

Location 1 (Anita Avenue) \$ 5,496.00

Location 2 (Grimm Road) \$27,388.00 TIF Funds to be used
