

# Request For Board Action

**REFERRED TO BOARD** November 18, 2019

**AGENDA ITEM NO: 13**

**ORIGINATING DEPARTMENT:** Finance Department

**SUBJECT:** Consideration of an Ordinance providing for the Levy of Taxes for the fiscal year beginning May 1, 2019 and ending April 30, 2020.

## **SUMMARY AND BACKGROUND OF SUBJECT MATTER:**

The Tax Levy Ordinance is the Village's legal request to receive property taxes imposed upon properties lying within its corporate boundaries. This Ordinance sets forth the specific type and amount of property taxes the Village is requesting.

The Village is requesting \$4,028,127 of property tax revenue; however, this request is calculated on an **estimated** equalized assessed value (EAV). The EAV is vital in the calculation used by the County to determine the tax rate. Since the actual EAV is not available at this time, an estimate is used. The impact of this estimate is an artificial inflation of property taxes requested. Additionally, the Village, as a non-home rule municipality, is subject to a Property Tax Extension Limitation (tax cap). The cap is the lesser of 5% or the percentage increase in the Consumer Price Index (CPI) during the 12-month calendar year preceding the levy year. The final tax extension is determined by Lake County. The Tax Levy Ordinance must be filed with the county clerk no later than the last Tuesday in December.

The Board has committed to levying the amount recommended by the actuary for police pension, that amount for this levy is \$2.02 million up from \$1.8 million last year. In order to meet this commitment, other fund levies have been reduced, with the biggest impact to the police protection, social security, and IMRF levies. Other general fund revenues will be used to cover these expenses.

**FINANCIAL IMPACT:** Anticipated revenues of less than \$4,028,127

## **DOCUMENTS ATTACHED:**

1. Ordinance
2. Truth in Taxation Certificate of Compliance
