

## JOSE ACOSTA - LUCKY BERNIE'S ANTIOCH REQUEST FOR FULL SERVICE LIQUOR LICENSE

\* Lucky Bernie's Antioch, located at 420 E. Route 173, Unit 111, seeks a change in the Village Code to allow full liquor service (current license limits service to beer and wine).

\* Jose Acosta is the majority owner (80%) of Lucky Bernie's and has been since October 2019.

\* Mr. Acosta lives in Round Lake Beach. In addition to Lucky Bernie's Antioch, he owns and operates seven tanning salons throughout southern Wisconsin and the Chicago suburbs. He is active in the Antioch Chamber of Commerce.

\* Over the past year, Mr. Acosta has responded to Village concerns about operations at the site in the following ways:

- Expanded and elevated food options. A copy of the current menu is attached.
- Worked with the owner of the property to resolve mechanic's lien and plumbing issues. The owner supports the request for an upgraded license.
- Changed billboard sign to redirect focus.
- Opened Lucky Bernie's to charity events.

\* To Mr. Acosta's knowledge, Lucky Bernie's is the only bar/restaurant in the Village with a restricted license. Mr. Acosta is asking for an equal opportunity to operate and grow.

\* Lucky Bernie's had a dedicated customer base. However, many customers have expressed an interest in liquor service. This is a customer-driven request.

\* Lucky Bernie's employs seven people. With a full liquor license, the goal would be to double staff and create more employment opportunities for the community.

\* Economists project that more than 100,000 small businesses have shut down permanently since the pandemic escalated in March. Lucky Bernie's was required to close for months, but worked cooperatively with the owner of the property on a rent reduction plan.

\* Lucky Bernie's has reopened and has a chance to be a successful and sustainable business in Antioch. A full liquor license is a crucial element of its long term success.
