

Request For Board Action

REFERRED TO BOARD: January 11, 2021

AGENDA ITEM NO: 6

ORIGINATING DEPARTMENT: Community Development

SUBJECT: Consideration of a Resolution to approve an agreement with the Lakota Group for the Downtown Beautification Plan.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

Pursuant to the direction of the Village Board, Staff is been working on a long-term plan for a series of beautification improvements in Downtown Antioch that would include the recently purchased "Pittman" property at the northeast corner of Main Street and Orchard. A "Request for Qualifications" was posted seeking qualified landscape and planning consultants to submit proposals for this project. Seven proposals were submitted by planning/landscape firms and Staff had an opportunity to review the submittals. After interviewing three firms, including Teska, Hitchcock, and Lakota, Staff is taking this opportunity to recommend the Lakota Group for this project.

The Lakota Group has worked extensively in Antioch before and based on this experience, understandings the context, culture, and trends in the community, Staff believes that they are the most qualified consultant for this specific project. Staff is taking this opportunity to attach their "proposal" for Village Board review and consideration.

As outlined in the Village RFQ, the Downtown Beautification Project will include potential hardscape, landscape and the potential creation of additional green space within the following areas:

- Main, Lake, Orchard, and Toft Street
- Toft Street and Skidmore parking lots
- Arcades
- Pittman property

Lakota has submitted a proposed agreement for the sum of \$49,250.00 which includes the Downtown Beautification Plan and planning for the "Pittman" property. This proposal would include extensive visioning and outreach with the community.
