

Request For Board Action

REFERRED TO BOARD: February 8, 2021

AGENDA ITEM NO: 2

ORIGINATING DEPARTMENT: Administration

SUBJECT: Consideration of adopting a Resolution regarding IDOT Permits for Construction on State Highway for Illinois Department of Transportation.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

On January 12, 2021 a letter was received from Illinois Department of Transportation in regards to construction on state highways. Chapter 605 ILCS 5/4-208 and 5/9-113 of the Illinois Revised Statutes requires that any person, firm or corporation desiring to perform work in State rights of way must obtain a written permit from the Illinois Department of Transportation, including any emergency work on broken watermains or sewers. Adoption of the resolution for Construction on State Highway relieves a municipality from posting a surety bond with the State as long as work is performed by employees of the municipality. The resolution will be enacted for the period of two years. This procedure will save time and effort as well as reduce the annual paperwork associated with an annual resolution.

This resolution is approved every 2 years.
