

Request For Board Action

REFERRED TO BOARD: June 8, 2022

AGENDA ITEM NO: 6

ORIGINATING DEPARTMENT: Police Department

SUBJECT: Resolution authorizing the Mayor to enter into, and directing the Village Clerk to execute an Intergovernmental Agreement with Lake County, Illinois for the recently voted to dissolve the consortium, subsequently approving an Intergovernmental Agreement with Lake County to join the Lake County Sheriff Collaborative Use of its Mobile Citation System, called Brazos.

Over the last several years, Lake County Government has conducted several studies to identify cost efficiencies using consolidated and collaborative systems. Lake County and the Lake County ETSB, which the Village is a part of, have initiated the first practical application of a county-wide CAD and RMS consolidation, where the County and ETSB has purchased public safety software from Tyler Technologies intended to be used and shared collaboratively by Lake County Public Safety agencies. One of the software systems purchased is a mobile citation system called Brazos.

The Antioch Police Department desires to join the Lake County Sheriff's Collaborative Use Records Management System, including access to use Brazos.

FINANCIAL IMPACT:

The Departments annual fee for access to Brazos' Mobile Citation system will be \$4,600 for the first year. The contract between the Lake County Sheriff and Tyler Technologies specifies a 3.5% increase in years 1-5 and 4.5% years 6-10. These costs will begin to be incurred in FY23-24. The Department has budgeted \$20,000 for the current fiscal year to cover the cost of purchasing and installing mobile printers in each marked patrol vehicle, which will be used to generate motorist copies of the electronic citation. These printers are expected to be ordered this fall, as part of a bulk order through the Lake County Sheriff's Office to achieve a significant volume discount.
