Village of Antioch Seeks Input for Community Vision Survey

During the month of June, 2014, the Village of Antioch will be conducting a survey as part of the Village's plan to create and adopt a community vision. This is an opportunity for all Antioch residents to provide input regarding priorities and opinions concerning the future of our Village. Surveys will be provided in the Village of Antioch **June Newsletter** which is mailed to all Antioch residents, and at various locations throughout the Village. A link will be on the Village of Antioch website, www.antioch.il.gov for the online survey as well. After surveys are collected, the results will be analyzed and shared with the community. Anyone wishing to take the survey will be eligible for a chance to win a family pool pass! 4 winners will be chosen.
