#	Responses	Date
1	better organization and cooperation between Police, Fire, EMA and Village & Township. Everyone should work together.	7/1/2014 11:59 AM
2	Supporting our local businesses & adding & expanding the number & types of businesses. It would be great to lure a few satellite versions of national apparell stores.	7/1/2014 11:22 AM
3	No mosquitoes & walk safely in neighborhoods.	7/1/2014 11:18 AM
4	?	7/1/2014 11:15 AM
5	As a resident of Woodland Ridge, Heron Harbor - being able to have access to the shoreline of Lake Marie (not by boat, by foot). It would be wonderful to watch a sunrise or sunset, relax on a bench watch the lake activities.	7/1/2014 11:07 AM
6	More Retail.....We have to go to other towns for a Target,Craft Stores,PetSmart, and Resturants. Antioch is losing tax dollars to this other towns. Also Our subdivison has been hit by the emerald ash and the village is taking out the tree but not replacing them. This makes it look horriable and people are not going to want to move into homes where the subdivison looks bad.	7/1/2014 7:46 AM
7	Dont grow too big	7/1/2014 6:54 AM
8	More grocery and shopping options vs having to go to another town.	7/1/2014 6:44 AM
9	Building a better sense of community. One way to accomplish that could be to build a multi=purpose community building that offers year round activities for all residents. An indoor pool and social activities (game and movie nights) would be a great way to meet more people.	7/1/2014 12:40 AM
10	I would love to see more places for the community to be active. Perhaps more volleyball courts, more tennis courts (there are only two at centennial park), bike trails, etc.	6/30/2014 11:15 PM
11	Expand parks and rec and bicycle trails	6/30/2014 10:08 PM
12	Less police presence. It gives Antioch an image of being a police state.	6/30/2014 9:07 PM
13	I'd like to see the downtown shopping area expanded and improved. I'd like to see small stores on Depot to the train station instead of light industrial, and additional centralized family friendly green spaces, including where the farmers market is located. I'd love better and safer sidewalks and crossings and bike lanes across town. Kids have to cross streets several times or walk in the road to go to parks or schools. Elderly are carrying groceries in the streets because the sidewalks are uneven and not useful. We love our local businesses and families here in Antioch, so let's show it.	6/30/2014 8:02 PM
14	Bike trail that goes all the way through town and down deep lake road	6/30/2014 7:54 PM
15	Expanded amenities ie shopping, recreation, etc that are easily accessible.	6/30/2014 7:51 PM
16	More interlinked bike trails	6/30/2014 7:30 PM
17	Less taxes	6/30/2014 7:20 PM
18	Maybe something that focuses on the needy. Poor, homeless, returning veterans.	6/30/2014 6:36 PM
19	Beautify downtown by cleaning up vacant lots and landscaping farmers market area. Ensure businesses adhere to high aesthetic standards.	6/30/2014 6:17 PM
20	Village employees are rude!	6/30/2014 4:35 PM
21	Making some areas of the town more aesthetically pleasing, such as the Piggly Wiggly strip mall, which is a terrible eye sore, and Rte. 83 south of Rte. 173 to Grass Lake Rd. Adding trees and pretty landscaping along the east side of Rte. 83 in that corridor would be helpful, along with making all the signs on the west side of that corridor more uniform in coloring, size and appearance.	6/30/2014 4:21 PM

## Village of Antioch Community Vision Survey

22	Better roads/traffic.	6/30/2014 4:02 PM
23	Lower water bill.	6/30/2014 3:49 PM
24	better access to hospital care	6/30/2014 2:58 PM
25	Lower property taxes	6/30/2014 2:29 PM
26	Have the mayor consider the needs of all the residents and not just his cronies.	6/30/2014 2:25 PM
27	As to the vacant lot in the northeast corner of Main and Orchard ..... there should be something interesting put in there. Maybe a gushing fountain, maybe a monument, maybe something else. As of now, it is an eye sore. So is the vacant lot in the northwest corner of Orchard and Main Street.	6/30/2014 2:08 PM
28	Encouraging more recycling, reusing of materials and alternate energy sources such as wind turbines and solar panels. Sure would be great if Public Works had a recycling drop off area like Grayslake. Can Antioch be a leading community in environmental best practices? That would be great!	6/30/2014 1:31 PM
29	Improved school system	6/30/2014 1:27 PM
30	Make the Village employees more customer friendly. It seems that people are very evasive.	6/30/2014 1:23 PM
31	More choices for shopping and dining. Add a few chain restaurants for eat-in dining (Panera Bread, Olive Garden, etc.) Give more options for shopping (Kohls, Target). We take most of our business to Gurnee or Round Lake. Why?	6/30/2014 1:21 PM
32	Lower taxes	6/30/2014 1:12 PM
33	Larger brand name stores and restaurants. If I need to buy something and I don't want to buy it at Walmart I have to go to Kenosha, Gurnee or Vernon Hills. Somehow attracting (don't know how) bigger names and sprinkle in all the little specialty shops would keep our dollars here and attract those other dollars that go to Kenosha, Gurnee and Vernon Hills. That would then allow great parks and recs, trails, roads, historic buildings, more police force and more/better housing.	6/30/2014 12:55 PM
34	A more thriving downtown	6/30/2014 12:45 PM
35	More biking options from different areas of town, so that you don't have to be on busy roads with a bike.	6/30/2014 12:15 PM
36	fix pot holes in roads	6/30/2014 12:14 PM
37	Bring more shopping to Antioch and don't only concentrate on Downtown	6/30/2014 12:11 PM
38	Less poor and irresponsible spending which taxes everyone	6/30/2014 12:04 PM
39	Lake Michigan Water	6/30/2014 11:52 AM
40	We need a sports complex like Libertyville sports complex or something like Gurnee hunt club community center to get our community fit and kids playing more sports	6/30/2014 11:45 AM
41	more sidewalks	6/30/2014 11:44 AM
42	I would like to see more coffee and better food options for example: Starbucks, Chipotle, Olive Garden, Steakhouse, etc. YMCA, Whole Foods, Trader Joes, would also enjoy a splash park.	6/30/2014 11:43 AM
43	Open up the creek downtown that's covered up!	6/30/2014 11:35 AM
44	fix the constant flooding of bike trail	6/30/2014 11:32 AM
45	No chain stores. Improve downtown.	6/30/2014 11:30 AM
46	A large, vibrant industrial park(s). (\$ income)	6/30/2014 11:26 AM
47	More quality housing for seniors who make too much to qualify for Section 8 housing but want the opportunities that senior housing provides.	6/30/2014 11:24 AM
48	Better roads	6/30/2014 11:22 AM
49	Better stores/dinner options	6/30/2014 11:17 AM
50	lake michigan water - lower rates on water and electric/gas services	6/30/2014 11:13 AM
51	Finding a way to let new residence know what is offered and feel welcome.. One year later and I have no idea what services are around or where to locate things	6/30/2014 11:10 AM

56	More affordable housing non-apartments	6/30/2014 10:50 AM
57	Not sure	6/30/2014 10:50 AM
58	More restaurants, coffee shops and other retailers	6/30/2014 10:46 AM
59	Adding more restaurants in downtown Antioch.	6/30/2014 10:42 AM
60	Restaurant with true gourmet chef	6/30/2014 9:09 AM
61	Lower property taxes	6/30/2014 8:52 AM
62	I would create a small park at the NW corner of Orchard and Main across from Village Hall...that corner has been an eyesore for too many years. Condemn the land if you have too or get the owner to donate it for a tax break, but do something with it. Even a parking lot there would be better than what's there now.	6/30/2014 8:35 AM
63	Better restaurants and retail stores	6/30/2014 7:55 AM
64	less section 8 housing	6/30/2014 7:45 AM

68	Less vandalism/crime/bad behavior in public spaces (e.g. skate park, Williams Park, etc.)	6/29/2014 7:13 PM
69	Keep Antioch small town and encourage small local business. Not big business. Utilize empty space like the empty lots and empty store fronts. All eyesores.	6/29/2014 7:10 PM
70	Biking access to trails and connections to other towns.	6/29/2014 6:57 PM
71	An indoor pool.	6/29/2014 6:49 PM
72	Shopping choices	6/29/2014 6:42 PM
73	Local government	6/29/2014 3:43 PM
74	More safe walking and biking especially on major streets just outside of downtown on BOTH sides of the road. (for example, 173 to Tiffany Rd, on Tiffany Rd to North Ave, on North Ave to Deep Lake Rd.)	6/29/2014 12:40 PM
75	Continued focus on downtown development of small businesses (shopping and restaurants). Robust downtown area will attract visitors from other areas which will improve business owners financial position (stability) and increase property values.	6/29/2014 11:54 AM
76	Enforcing more codes on run-down homes and apartments.	6/29/2014 10:57 AM
77	More shopping options	6/28/2014 8:52 PM
78	re open the theater, it gives the downtown a sense of being	6/28/2014 3:44 PM
79	Lower taxes of course! :) have Rt. 173 be two lanes between Walmart and Tiffany Rd.	6/27/2014 9:15 PM
80	More offerings to get to Chicago via the train.	6/27/2014 6:55 PM

85	Jobs	6/27/2014 5:27 PM

87	Less low income housing	6/27/2014 4:24 PM
88	A more vibrant and quaint downtown area and bring more desirable industry to Antioch.	6/27/2014 3:45 PM
89	-	6/27/2014 2:46 PM
90	Keeping the small town feel. We have lived here almost 25 years and have watched the community grow and change somethings for the better and some not so much.	6/27/2014 2:35 PM

94	the water is HORRIBLE -- I have never seen such bad city water and I have to pay a lot of money to use a water softener in order to be able to use my dishwasher and other home appliances	6/27/2014 10:56 AM
95	Lower taxes.	6/27/2014 10:33 AM
96	Reducing fees for those in Antioch for Antioch parks/etc. We pay a ton in taxes/fees already and would like to see some benefit from that.	6/27/2014 10:24 AM
97	Starbucks or panera bread on town. Also more parks that are open later	6/27/2014 10:13 AM
98	weekend train service	6/27/2014 9:21 AM
99	getting rid of that HUGE eyesore where the old country pontiac used to be (the vacant area they now use for parking/ farmers market)	6/27/2014 9:09 AM
100	A more lively downtown, I appreciate small business's, but bringing in a few modern stores to revitalize the great down town area, would really help.	6/27/2014 8:43 AM
101	Bring in more businesses that will bring in more jobs and tax revenue which in turn will raise the value of our homes!	6/27/2014 8:12 AM
102	More places / more variety of restaurants and shopping.	6/27/2014 7:28 AM
103	Widen route 173	6/27/2014 12:31 AM

105	congestion	6/26/2014 3:30 PM
106	Demolition of old unused houses (shacks)	6/26/2014 1:38 PM
107	Bike lanes	6/26/2014 12:47 PM
108	Do something constructive with the 'vacant' lots in town (Main & Orchard, Lake & Toft, N Ave & Main). There are not very welcoming & have been that way for years.	6/26/2014 11:54 AM
109	More things to keep people active, especially during the winter. Indoor sports/rec complex.	6/26/2014 10:03 AM
110	Low taxes get bigger stores to come in and pay taxes. T,axes are so high your going to put people out of there houses	6/26/2014 9:38 AM
111	We live in Felters (unincorporated) and would like to be incorporated to receive better police services. And, we would like to hook up to City water (if possible).	6/26/2014 8:59 AM
112	I personally would like to see some more shopping & dining options so we don't have to go to Gurnee.	6/26/2014 7:08 AM
113	More bike lanes and trails	6/26/2014 7:02 AM

131	More bike/walk paths like the one on Depot Street	6/25/2014 2:25 PM
132	More shopping choices and restaurants. Antioch is very boring in that respect and tired of traveling to Gurnee for everything especially with the gas prices going up. More options in Antioch means more convenience for the residents and more sales tax revenue for Antioch (use that to pay for the ambulance service) instead of possibly making property taxes go up--they are high enough with nothing to show for it!!!!.	6/25/2014 1:30 PM
133	Update downtown area- new businesses	6/25/2014 12:22 PM
134	Attract large stores and not focus on "downtown" stores on Main Street!	6/25/2014 11:27 AM
135	white collar jobs needed	6/25/2014 11:23 AM

147	let more chain stores into the area	6/25/2014 10:22 AM
148	More businesses providing options for consumers	6/25/2014 10:10 AM
149	Keeping taxes in check	6/25/2014 10:01 AM

## Village of Antioch Community Vision Survey

150	Cleaning up the areas that are abandoned, deteriorated, unkept. This is mostly in the unincorporated areas west of Tiffany Road. Unbelievable drive on 173 to get to the Chain. It's so unsightly and dirty and scummy.	6/25/2014 9:56 AM
151	Capitalizing on Antioch's history, and making the town more accessible through trails and public transportation.	6/25/2014 9:53 AM

153	Stop increasing water bill and take off the utility tax on the utilities	6/25/2014 8:42 AM
154	Some type of walking/bike path that connects the far east subdivisions (Clublands, Neuhaven and Red Wing View) to the walking path that was just added to Depot St. We feel so disconnected from all the wonderful things going on in town and the path ended just a little too soon...	6/25/2014 8:36 AM
155	for now I love it here and can't think of anything else to improve.	6/25/2014 8:10 AM
156	Traffic noise on tiffany road and north ave.... Everyone likes to speed and peel out at that intersection	6/25/2014 8:01 AM
157	Having more shopping and dining.	6/25/2014 7:52 AM
158	The park district could be more working parent friendly. There is very little programming available outside of typical working hours Monday through Friday. For this reason I have never used my own park district, I'm forced to go to other surrounding communities such as Grayslake and Gurnee.	6/25/2014 7:52 AM
159	Higher class shopping and food.	6/25/2014 7:41 AM

162	More shopping	6/25/2014 7:32 AM
163	More events through the parks and recreation	6/25/2014 7:31 AM
164	Preserving Main Street as a main shopping and recreational destination rather than the strip mall/173 area. Would be a shame to see Wal Mart take the business away from the beautiful downtown.	6/25/2014 7:31 AM
165	less dog barking	6/25/2014 7:26 AM
166	add more sidewalks and trails so kids and family can be more mobile	6/25/2014 7:00 AM
167	Police patrols in areas of known drug nuisance houses/residents.	6/25/2014 6:40 AM
168	More options for shopping or dining. Residents continue to spend their money in Gurnee for common stores like Kohls and Target as well as restaurants like Chili's or Applebees. The town needs something local.	6/25/2014 12:25 AM
169	Improve the image of our life & safety workers. My friends & I are embarrassed about the rescue squad situation. The police department appears to be in a lock-down situation, with only a voice answering on an intercom.	6/24/2014 9:28 PM
170	sidewalks and bike paths that connect RT 59 with the downtown area.	6/24/2014 9:25 PM
171	Public transit	6/24/2014 9:12 PM
172	Affordable property taxes	6/24/2014 9:08 PM
173	I know we just renovated the pool but it would be nice to have a large water park with a lazy river and recreation area. Improve the corner of Main and Orchard.	6/24/2014 9:04 PM

186	More shopping	6/24/2014 7:02 PM
187	Better code enforcement! Don't allow builders in if they will not build or do top quality work. Allowing cheap and low quality construction hurts the village for decades to come. Strictly enforce codes and laws (traffic). Use Naperville and Libertyville as examples of quality growth. (they do have their downsides too!)	6/24/2014 7:00 PM
188	Park district	6/24/2014 6:57 PM

192	Provide direct access from AUGS to 173 rather than school busses having to go onto busy Tiffany and .sidewalks along Tiffany from North Ave to 173	6/24/2014 6:47 PM
193	More business in downtown and development of businesses in the Business Park that was developed years ago but lays unused. Also, trashing in the village in general seems to always be a problem. Our law enforcement has better things to do with their time, but there's many people who just don't care to keep our streets, parks and waterways clean.	6/24/2014 6:44 PM
194	Improve parks and Rec Dept. Check out what other communities are doing. Need a community owned area for exercise equipment.	6/24/2014 6:38 PM

205	Sporting complexes and parks; basketball facilities, fields for games, parks	6/24/2014 2:36 PM
206	Better code enforcement. Dog park. We have "too" much cut-thru traffic on Ridgewood Dr. in Woods Sub that really race thru our neighborhood - It is not pleasant & very dangerous for people living here. Speed limit 25!	6/24/2014 12:47 PM
207	Better mayor leadership and Village Board.	6/24/2014 12:42 PM
208	Recreational building for use in sports, cheering and other activities.	6/24/2014 12:32 PM

217	more upscale shopping & restaurants	6/23/2014 3:33 PM

219	Reduction of crime.	6/23/2014 3:14 PM
220	Jobs	6/23/2014 10:18 AM
221	Making it easier for new business to start up. There's obviously available lots/places but for the most part "new" business that appear are either banks or hair/nail places we don't need any more of these.	6/23/2014 9:52 AM

227	Continue to try to keep services off the Main Street and try to keep it for retail and restaurants.	6/21/2014 3:14 PM
228	1. BRING BACK SPRAYING FOR MOSQUITOS!! It's horrible! Anything is better than nothing. Spray the stagnant ponds. 2. A few more stores - maybe a Starbucks and one other big box store. I do not wish for Antioch to turn into Gurnee but a few more options would be wonderful.	6/21/2014 3:04 PM
229	Better stores, Target, Kohl's. Restaurants, Panera, Chains so we don't have to leave town and give our money to Gurnee and Round Lake	6/21/2014 10:46 AM

241	more police patrol on side streets/neighborhoods	6/19/2014 2:03 PM
242	Better sidewalks. No sidewalks on David St. to walk to Jewel. Sidewalks on Orchard are horrible. \$5,000 in property tax and our walk path is under water half the year.	6/19/2014 1:56 PM
243	Better customer service in shops - Happy faces all around.	6/19/2014 1:53 PM
244	better public transportation i.e pace bus line connecting Antioch, Lake Villa. Round Lake area and Fox Lake, especially to the Fox Lake Metra Station. And also weekend Metra service for the Antioch line.	6/19/2014 1:05 PM

270	Making Route 173 4 lanes	6/18/2014 6:50 PM
271	Get the riff-raff and closed-minded out (i.e. there is a widespread reputation for drug use & racism in the high school). Bring in some quality restaurants, upscale chain stores, and ultimately draw more professional families/retirees to the area. It would be nice to be able to be proud of the town our hard-earned money in funding.	6/18/2014 6:42 PM
272	Recreation facility	6/18/2014 6:37 PM
273	Clean up the downtown area even more. The open area where the car dealership/across from AES is an eyesore and has been that way since I moved here 14 years ago. It is the central part if town. Even if the village can purchase the property and make it into a park with trees, benches, sculptures. It would still be a great area for art in the park and other community shows/events. To me it is unacceptable that that area has stayed that way as long as it has. When other visitis come through town whether it be for a baseball game at Williams Park - it just looks "trashy" and ruins the whole feel of the quaint downtown.	6/18/2014 6:25 PM
274	More shopping and resturaunts.	6/18/2014 6:25 PM

## Village of Antioch Community Vision Survey

275	Get the crooks out of office!	6/18/2014 6:22 PM
276	Attract more physicians and medical professional practices. Traveling around Lake County is getting more congested and it would be nice not having to drive into gurnee, mchenry, or further for medical care and testing	6/18/2014 6:18 PM
277	night entertainment	6/18/2014 5:48 PM

280	Dog park	6/18/2014 5:27 PM
281	The Downtown area. Completely in need of a face lift!	6/18/2014 5:21 PM
282	Retaining small town feel and limiting big box stores.	6/18/2014 5:13 PM
283	Antioch truly needs to be less small-town minded and more open to negotiations with some of the larger commercial retailers. We have a very small commercial taxing base. I have read that commercial business such as Panera have tried to come to the community, but Antioch has placed road blocks and requested unreasonable challenges for the commercial companies. I love the small town charm of Antioch, but at the same time, we need some commercial growth. I wish we were following the path of Libertyville, as Libertyville welcomes larger commercial stores such as Trader Joe's, Panera, etc., while at the same time making great efforts to preserve and promote the small independent stores downtown. It would be wonderful for the people in Antioch to sit down with the mayor of Libertyville and learn a bit from him. I was born and raised in Antioch, but I have been looking at homes in Gurnee and Libertyville for the past few months. The property taxes also appear lower in those communities because they have the commercial dollars reducing the amount of taxes that the individual residents pay for similarly priced homes. I also am frustrated with all of the section 8 housing that was agreed upon. I do believe in low income housing for those in need, but there is so much of it in the downtown, and the people that walk by drinking out of paper bags, appearing to be high on drugs, etc. all late at night near the gas station across from the elementary school is appalling. I don't feel safe jogging near my home at night.	6/18/2014 5:09 PM
284	Lower your taxes and water/ sewage fees!! They are insane!!!!	6/18/2014 5:03 PM
285	Make it look nice. The downtown area near the community farm looks like a dump. The stores are not very desirable to anyone living outside of Antioch.	6/18/2014 5:00 PM
286	Restaurants...ie...applebees, chilis, fridays	6/18/2014 4:59 PM
287	Friendlier people.	6/18/2014 4:59 PM

309	Better quality grocery store...like Whole Foods	6/18/2014 3:56 PM
310	Well right now I would say having the city sprayed for mosquitoes. Other towns have trucks that come around and spray and we can use that!	6/18/2014 3:55 PM
311	Build the Rec Center that was supposed to be built on North Avenue!	6/18/2014 3:52 PM
312	Develop the vacant downtown areas. At present a real eyesore.	6/18/2014 3:42 PM

315	Better police enforcement of speeders on Depot Street	6/18/2014 12:46 PM
316	The property at the northwest corner of main and Orchard - at least throw down some dirt ( any hauling company would be happy to dump loads of dirt there for free) and grasseed until it is developed into something - it is an eyesore.	6/18/2014 11:14 AM
317	Gun registration	6/18/2014 9:40 AM
318	The elected Village officials remain stuck in the past. The environment is not a priority for a funded effort to improve the natural areas. The Village does not promote itself as a vaction area.	6/18/2014 9:33 AM
319	Bring in more big box stores	6/17/2014 8:16 PM

331	Understand Antioch has become a younger community which has different needs then the older residents, so it's time to progress, move forward.	6/16/2014 2:24 PM
332	We need businesses brought into the community that bring people into town. The center of town (across from the lower grade school) is embarrassing. This could be a fantastic town center. Instead, I am not sure what it is. It is a poor excuse for a parking lot that couples at a community garden. I do think that the ice rink was a great addition. And I think the Aqua center is nice as well.	6/16/2014 2:19 PM
333	more restaurants options, better shopping/stores in downtown area	6/16/2014 1:38 PM

## Village of Antioch Community Vision Survey

334	Better roads, especially Grimm Road. That road has needed resurfacing for over 10 years. The Antioch Township only fills pot holes, so basically the road is made up of patched pot holes.	6/16/2014 1:01 PM
335	To focus on our downtown area to bring in more quality shops and to clean up and possible put a park with a gazebo and landscaping at the main street intersection and Orchard. Redo the Antioch Theatre with two movie option.	6/16/2014 1:00 PM
336	More shopping options; Gurnee, Pleasant Prairie and Kenosha are too far to go when you need something quickly; we need more than just Walmart	6/16/2014 11:24 AM
337	Growing programs, events, etc... with the area, that has already grown with people.	6/16/2014 10:02 AM

346	governmental infighting and "blame game" and all that has been going on lately that has been in the public eyes. giving town a bad name	6/14/2014 9:27 AM
347	How about developing an area on a lake that isn't privately owned where patrons could just go and sit and enjoy the water view? We are in Lake County, advertise the Chain of Lakes, yet everything is privately owned. I have to go to Lake Michigan to just sit & read a book while enjoying the lake view.	6/14/2014 7:39 AM

352	get the teachers in the schools to actually teach the students	6/13/2014 6:40 PM
353	Bicycle paths, thereby encouraging healthy living more. A path to Walmart, for example, to the east, as well as a path to Chain-o-Lakes to the west would mean a lot. A good path, that's safe, etc. Also, there is no north-south bicycle route to link with all the LCFPD trails.	6/13/2014 5:04 PM
354	Attracting commercial development, similar to the "Antioch Marketplace" plan. We desperately need more shopping: Target; Best Buy; Groceries; Starbucks; and dining options.	6/13/2014 5:02 PM
355	The village has repaved the half empty industrial park and left many of its residents with old worn out streets. Quit pandering to the local yocal business people and start taking care of the taxpayers who live in the town.	6/13/2014 4:44 PM

360	More stores and restaurants.	6/13/2014 3:43 PM
361	Pine Hill Lakes needs to the roads redone.	6/13/2014 2:02 PM

369	Less crazy drivers. Give more tickets	6/13/2014 10:25 AM

371	Noise reduction (motorcycles).	6/13/2014 9:35 AM
372	Redesigning the downtown area e, not Main St. Consistent old fashioned signage on Main St. I would take into account the number of horse people and make use of their ideas.	6/13/2014 9:26 AM

386	question #2 did not work	6/12/2014 10:30 PM

395	More sidewalks on 173.	6/12/2014 8:36 PM
396	Utilizing the former Pittman property on the corner of Main and Orchard as a public park--open the creek, expand the farmer's market and other activities under trees, etc. instead of just standing out alone.	6/12/2014 8:09 PM
397	More quality shopping, dining and services.	6/12/2014 8:07 PM
398	Antioch really need bicycle trails. It would be perfect for our little town.	6/12/2014 7:09 PM
399	A diverse shopping and dining market that would keep our money in our area.	6/12/2014 7:05 PM
400	Better parks and rec programs. Sidewalks along 83 & 59 by public and private schools.	6/12/2014 7:00 PM
401	More night lige	6/12/2014 6:54 PM
402	The perception that the chain is only a party place and heavy drinking on the weekend. I would like more enforcement around those people/neighbors who are disruptive.	6/12/2014 6:40 PM
403	With all the lakes around it would be nice to have a public access fishing pier for people who don't own a boat. This way we could enjoy the waterways as much as those who own boats.	6/12/2014 6:32 PM
404	Lower the TAXES. Development more shopping and dining will help achieve this.	6/12/2014 6:21 PM
405	The playgrounds for the kids! And not to forget the special needs children! We have went to many parks and will not return because of the very bad shape they are in! Does anyone go out to look over them? Someone that cares! We also need more retail shops.	6/12/2014 5:59 PM
406	Better snow removal in winter.	6/12/2014 5:51 PM
407	I would love to see a place similar to the Rec Plex in Kenosha, more bike trails and township residents given the same options as village residents.	6/12/2014 5:48 PM
408	Develop more shopping and restaurants	6/12/2014 5:40 PM
409	Beautify downtown main st. There are a lot of eyesore buildings, bad old signage, old parking lots, junky piggly wiggly strip mall. The corner of north ave and 83 is nasty. Take a look at libertyville and see how a simple thing like signage and awnings can unite and beautify a downtown. We could also use more resturant variety and outdoor patios.	6/12/2014 5:37 PM
410	More dining, shopping, biking, a real park district. If you want options you have to leave town. It's sad.	6/12/2014 5:31 PM

413	get rid of the many,many cats around my home	6/12/2014 5:16 PM
414	A nicer park type of area downtown, perhaps across from the bandshell where the empty lot sits.	6/12/2014 5:00 PM
415	Property tax rates and increases	6/12/2014 4:57 PM
416	It is very difficult to rank the 7 items in question 2. I feel the village does a great job with them, and they are all very important. I would love to see the continued support of the Fire and Police. I think the parks and rec department is great, and I love visiting the new pool. I would like more support of the library. I love living in Antioch because it's not a congested suburb with so much shopping and traffic, but that I can drive 20 minutes to Gurnee and get what I need. I would love a commitment to keeping the outdoors prevalent and important. The chain of lakes and commitment to boaters and fishermen is vital.	6/12/2014 4:54 PM
417	lower taxes	6/12/2014 4:47 PM
418	Better mid level restaurant selection	6/12/2014 4:46 PM

421	add more parks and rec programs; we pay a small fortune in taxes and get nothing for it.	6/12/2014 4:28 PM
422	Redevelop the vacant land at Main & Depot Streets. Weekend train service. That's two things.	6/12/2014 4:27 PM
423	I am very happy here. The library programs are excellent!	6/12/2014 4:19 PM

430	Shopping, dining, services, roads	6/12/2014 3:51 PM

439	lower taxes	6/11/2014 11:00 AM
440	We love the pancake breakfast at the firehouse...also the music in the park. Would a community picnic be feasible? We love the parades, santa's house, AND the tree lighting and ornaments. THE village is the friendliest I have lived in. Love Antioch!	6/11/2014 10:34 AM
441	Shuttle service within Antioch.	6/11/2014 10:29 AM
442	Indoor rec facility for kids and seniors & outdoor.	6/11/2014 10:15 AM
443	Make the appearance of downtown more appealing (the old car dealership lot)	6/11/2014 10:08 AM
444	Tear down all the vacant buildings. They are an eyesore. Fix Grimm Rd - a lot of people travel that road to go to walmart off Hwy 83. Sewer dept. help seniors with roots growing into their sewer lines - they should be rod for free. Have volunteers to help seniors free of charge - grass mowing, shoveling, small home repairs.	6/11/2014 10:02 AM
445	Drawing businesses to the downtown area & keeping them here.	6/11/2014 9:56 AM
446	The industrial park is in deplorable condition. Get owners to maintain or level the buildings!!! More park police protection against drug abuse liquor and more security. Abuse of laws.	6/11/2014 9:25 AM
447	Using our natural setting and history to foster a different mix of land uses. Shoot for higher quality/unique dining & shopping alternatives in a way that is linked to our physical gifts. Absolutely love the lifestyle corridor plan. Let's get dedicated to it and develop around it!	6/11/2014 9:12 AM
448	Increase shopping, movie theatres, restaurants and big box stores which will bring in tax dollars and provide additional convenience.	6/11/2014 8:01 AM
449	I would love to see a yoga Studio in town.	6/10/2014 3:31 PM
450	more variety of restaurants, lower property taxes, more places to shop!!!	6/10/2014 1:30 PM
451	Taxes, I understand Lake County is like that however I hear all the time why people do not want to live in Antioch and its ALWAYS the taxes are so high. I think we need to do a better job of bringing in other ways to help with the taxes. I love the town but I can tell you we have been looking because of what we pay in taxes. I could have a bigger house and pay less taxes in other surrounding areas.	6/10/2014 1:09 PM

454	A better website for parks and recreation. Also, more opportunities for outings for families, more options for outdoor play areas. Bringing in more businesses to the community to offset tax burden.	6/10/2014 11:57 AM
455	Lower taxes equals more spending.	6/9/2014 10:39 PM
456	Less taxes.	6/9/2014 10:16 PM
457	More honest and open government	6/9/2014 1:38 PM
458	I think it should be kept small town. We need to get in more stores that will draw consumers to our downtown area. I think an old fashioned ice cream parlor would be perfect for our downtown area as well as a woman's clothing shop, lake forest bootery, a boutique home décor store and a dog boutique. Something more in line with the downtown area of Libertyville. You have a lot of young families and it would be great to appeal to them and bring more of them to main street. We also have a lot of beautiful older homes and I think a Christmas walk would be a great way to showcase them. Something along the lines of a ticket purchase at the art gallery as well as serving refreshments. Offer to sell tickets with a free drink voucher after at any of the restaurants on main street. Only homes that really decorate for Christmas should submit their homes. It would really bring the community together. Have carolers walking the streets or play Christmas music on the streets during this event. Get about 5 to eight people to open up their homes to the public. We did it in Grayslake and it was hit. Women love this type of thing and Hannahs would probably see a huge boom in business. People love getting ready for Christmas and decorating. Put a Christmas tree lot in the area where we have our farmers market they should sell not only trees but wreaths and garland as well as potted arrangements possibly from the local florist. Keep the town shops open till 9. Play a Christmas movie at the theatre like it's a wonderlife life one weekend and the original Scrooge the next etc. From November till Christmas. That would be a good idea for Halloween as well. Really miss your Halloween celebration downtown. My kids loved that and again I used to bring friends from other towns to enjoy it. You have a boom in young families again and I'm sure the participation would be great. Have shop owners have a decorating contest where shoppers could vote on the best window display. Outdoor ice rink in the winter months.	6/9/2014 10:25 AM
459	Lower property taxes.	6/9/2014 9:18 AM
460	Clean-up the downtown area more, add more shopping & restaurants to make it more appealing for tourists, as well as residents.	6/8/2014 10:05 AM
461	Widen Route 173 and add more developing to attract businesses to Antioch, clean up apartment buildings on main street near North Ave.	6/8/2014 9:19 AM
462	Cleanup abandon and vacant properties and improve the streets, sidewalks and remaining infrastructure.	6/7/2014 8:23 PM
463	Better roads! And more restaurants	6/7/2014 9:29 AM
464	There are a lot of people living here that are trash. Sorry to say, but true. I would take a hard stance on drugs, alcoholism, limit government housing, make businesses clean up their properties, and encourage healthy lifestyles and personal growth and success. Okay, that's a lot more than one thing. Pick any one of those things and it would be a better place.	6/6/2014 7:24 PM
465	Improve the roads - widening 59 and 173 especially	6/6/2014 7:46 AM
466	I have enjoyed swimming at the pool for many years. However, this year there is no longer an adult swim. I see you have advertised 'open swim lanes'. However, this was also advertised last year and there was absolutely no swim lanes for an adult to swim in. On 3 separate occasions children jumped right onto me as I tried to do laps. Will there be any place/time for an adult to swim in the pool? I was VERY disappointed in the set up of new pool last year. I was hoping this year it might be set up a little differently. The pool in Mundelein has a blocked off swim lane so adults can swim without danger.	6/5/2014 10:09 PM
467	It would be nice to have a recreation facility like the Rec Plex in Wisconsin.	6/5/2014 9:45 PM
468	More shopping and dining options	6/5/2014 8:48 PM
469	Get back to what the village was 10 years ago. Less traffic, more "down home" feeling.	6/5/2014 5:02 PM
470	More shopping variety	6/5/2014 3:59 PM
471	Eliminate the "out of business" & "nearly out of business" bar buildings on Highway 173. They make all of Antioch look junky.	6/5/2014 7:18 AM
472	I can't think of anything. My family and I recently moved here from Chicago and we love it here!	6/4/2014 10:41 PM
473	park district expansion	6/4/2014 9:15 PM

474	More shopping/ dining options	6/4/2014 6:22 PM
475	No vacant lots surrounding the downtown area.	6/4/2014 5:39 PM
476	Lower the taxes since we don't really get much from them.	6/4/2014 4:50 PM
477	More shopping and restaurant options	6/4/2014 4:09 PM
478	Improving employment opportunities	6/4/2014 2:56 PM
479	THE SCHOOLS! Overcrowded, poor leadership. More restaurant choices in Antioch.	6/4/2014 2:43 PM
480	A complete renovation plan for downtown. New "old time" store front facades reflecting a common synergistic plan with cobblestone streets and faux-gas street lights. Diagonal parking rather than the current parallel configuration. Wider streets would be necessary or just allow parking on one side of the street provided more cars can be accommodated with this configuration. There has to be a concerted effort to showcase the downtown area in order to attract locals as well as people from outside the community. A "destination town" approach will draw patrons and ultimately increase revenue.	6/4/2014 10:04 AM
481	Continue to keep the downtown thriving and not build any more businesses on 173 and no more new home construction!	6/4/2014 8:55 AM
482	Getting a starbucks coffee house	6/3/2014 9:17 PM
483	More variety of dining choices such as Dennys, Applebees, etc.	6/3/2014 7:02 PM
484	We need new business in town. The village needs to hire a real Economic Developer. One that has a proven record you can verify. The village needs to manage by objective and measure the new person by results.	6/3/2014 12:47 PM
485	Improved crossing areas for pedestrians on busy streets: 173, 59. Getting cars to stop for pedestrians on route 83. And a real coffee house that stays open late.	6/3/2014 6:41 AM
486	Cut the TRASHY carnivals out all together. I don't want to come into or bring guests to town when they are here, Continue to clean up the north side of town.	6/2/2014 1:08 PM
487	figuring out a way to bridge or tunnel around the train at 173 and 83	6/2/2014 9:25 AM
488	Need better selection of stores, restaurants and dining options.	6/2/2014 8:10 AM
489	WE NEED MORE BUSINESSES. Antioch offers nothing except a Wal-Mart and a over priced water bill with taxed utilities	6/2/2014 6:46 AM
490	KEEP OUT BIG BOX CHAIN STORES AND RESTAURANTS AND FOCUS ON LOCAL BUSINESS AND ACTIVITIES SUCH AS WINE WALK AND RELATED RECREATIONAL CHOICES	6/1/2014 9:27 PM
491	Use the commercial property in the center of town. The vacant lots look terrible! Focus on the center - like Libertyville - stop development East of 83 until you fix the core.	6/1/2014 3:59 PM
492	Less Development	6/1/2014 8:27 AM
493	Sidewalks and curbs in subdivisions so kids are safer.	6/1/2014 8:25 AM
494	Developing more shopping and dining options	5/31/2014 8:00 AM
495	More options for dining. My family and I travel to either Gurnee or Round Lake for a better variety when it comes to dinng out.	5/30/2014 3:46 PM
496	Continuing to attract families interested in a vibrant, walkable small-town community ... people who are interested in investing in that community.	5/30/2014 9:51 AM
497	public beaches / lake access	5/29/2014 4:25 PM
498	Updating the downtown area outside of Main Street, Look to cities like Libertyville and Deerfield for examples.	5/29/2014 2:59 PM
499	Upgrade parks.	5/29/2014 2:32 PM
500	Look at every entrance to the village limits. They are all disgusting. Drive down 83 by the train tracks you're met with a vacant lot. Come west on 173 and you have ugly billboards and an RV dealership and vacant lots. And on and on. There is no sense that you're anywhere special. I live in NeuHaven. It sure would be nice if I could get into the rest of town without having to drive there. 173 does not lend itself to bicycle or pedestrian traffic.	5/29/2014 12:41 PM
501	Use the POOL! Open it Memorial weekend and DONT close it until after LABOR DAY weekend	5/29/2014 7:00 AM

504	Better dining options	5/28/2014 7:04 PM
505	Develop something on the old Pittman Pontiac property and old gas station at Orchard & Main. It is quite unsightly.	5/28/2014 6:53 PM
506	Better park district.	5/28/2014 4:03 PM
507	Better mix of restaurants to keep everyone local. Fast casual and sit-down.	5/28/2014 3:55 PM
508	More dining/shopping options	5/28/2014 3:18 PM
509	Stabilizing property taxes while increasing business to offset. Schools also need to be a priority but need to learn their budget limits.	5/28/2014 1:40 PM
510	Sidewalks along Rt. 59 so biking into town would be safe for families. The exercise is not currently worth the risk.	5/28/2014 10:02 AM
511	Take care of the empty lots in town and house empty retail fronts with QUALITY businesses.	5/28/2014 9:09 AM
512	School district consolidation.	5/28/2014 7:02 AM
513	Preservation of Natural and hiking areas. More trails similar to Chain O Lakes State Park and expanding bike path.	5/14/2014 2:09 PM

173	Antioch is blessed with many beautiful natural areas, but it is a shame that there really aren't any public beach areas for residents to use on the chain. I recognize that much of the shoreline is owned by private houses or restaurants, but if enough money were raised, it would be wonderful to have a small public beach so that those without boats could enjoy swimming and lounging on the beach of the chain.	6/18/2014 5:10 PM

204	We don't need much more open space. We need trails and sidewalks for people to be able to access these without the use of a car. I live in the Village (Heron Harbor), I am not able to access town by sidewalk or trail. Town would be much more useful if we could access it. I know this is not answering the question, but I do believe the same holds true for the open spaces, forest preserves etc. One cannot access them from anywhere in the town of Antioch without traveling along busy roads.	6/16/2014 2:22 PM
205	Stop expanding the village by trying to bring in more stores and restaurants who will build on the open spaces we have left.	6/16/2014 1:04 PM
206	To keep this as a focus for the community. It would be hard to increase the fees associated with parks and recreation since they really have limited offerings as is and we do not have an actual recreation facility which would be nice to have so that more programs could be offered.	6/16/2014 1:02 PM

219	unsure	6/13/2014 5:07 PM
220	Antiochs natural environment is what it is. That is why the indians dwelled here in the first place. What would the town do? Focus on other non naturally occuring issues the town has. Like the delapidated rental properties that line main street. Maybe start cracking down on the slum lords.	6/13/2014 4:47 PM
221	No more large signs for businesses in the downtown. It takes away from the nature theme of the town and makes it look too commercial and gaudy.	6/13/2014 4:46 PM

100	More large stores and restaurants it would be a win win for the residents and from a sales tax perspective for Antioch. It would have to be done in such a way that it wouldn't interfere too much on the wildlife and their habitat. Don't go crazy building all over the place like taking up every available space like Gurnee does, but build a few large stores and that's it so people don't have to go to Gurnee or Round Lake for things that we too can have in our own back yard so-to-speak.	6/25/2014 1:37 PM
101	Update downtown area	6/25/2014 12:24 PM

104	Please don't overdevelop, so that we end up with a lot of vacant storefronts.	6/25/2014 11:21 AM
105	Develop a major tourist attractions by taking advantage of what Antioch has to offer - take a Llama to lunch - families could come, load up a llama, take it for a lunch with their family. Guides could volunteer for school credit.	6/25/2014 11:16 AM
106	Medical services.	6/25/2014 11:14 AM
107	If in the Antioch Corporate Center that was started but never finished, would welcome more large stores.	6/25/2014 11:11 AM
108	If "laws" were enforced, such as talking on cell phones/texting & tickets were issued, more \$ would come in. No need to improve the economy	6/25/2014 11:07 AM
109	casino	6/25/2014 11:04 AM

114	Look at questions #3, and the above checklist. We need more stores and jobs.	6/25/2014 10:45 AM

116	Bring in more business and well paying jobs.	6/25/2014 10:10 AM
117	Take advantage of the beautiful Chain of Lakes we have here and have beautiful resorts similar to Lake Geneva. Beautiful buildings and restaurants that would attract people and make life more desirable in this community.	6/25/2014 9:58 AM
118	Offering more options for tourism for tourists to want to come here.	6/25/2014 9:56 AM

120	more and better jobs	6/25/2014 9:20 AM

132	Put a hold on the pensions and a listening and involved government, other than paycheck receivers.	6/25/2014 6:43 AM
133	We need to keep our dollars in our town. Meaning, residents are going to continue to spend money on retail stores and restaurants in other towns if Antioch does not do something.	6/25/2014 12:27 AM
134	More manufacturing to give jobs to less-skilled workers.	6/24/2014 9:32 PM
135	Bring in a starbucks	6/24/2014 9:16 PM
136	More large stores that bring in a lot of revenue	6/24/2014 9:12 PM

151	Develop downtown first to fill vacancies	6/24/2014 6:53 PM

166	Bring in Target, Kohl's, TJ-Maxx/Home Goods, Best Buy, Starbucks, Panera, Lowes/Home Depot into the Antioch Corporate Center which is vacant! We need to be actively pursuing business ventures to these corporations and showcasing Antioch's growth potential. If we don't improve our marketing/advertising, our quality of life will continue to deteriorate.	6/23/2014 4:12 PM

176	more job opportunities that pay well.	6/23/2014 9:40 AM
177	LOWER TAXES. Taxes are ridiculously high for what the town offers in terms of school quality, shopping, dining, services. Example: It takes DAYS after a snowfall for the sidewalks around the Metra station to be shoveled, IF they get shoveled at all. The parking lot is poorly plowed and often dangerously icy. Tall grass and weeds adjacent to parking are also neglected in the Summer. This kind of apathy from the city is an insult to the commuters that spend their hard earned money living out here. What are our taxes paying for if something this fundamental can't be taken care of?!	6/22/2014 3:34 PM
178	keeping our money in town. i would rather spend my money here than give it to gurnee. What happened to the industrial park at 45 and 173? What happened to the store planned for 173? Plus construction would have brought jobs and well as long term jobs for residents.	6/22/2014 9:34 AM
179	Going back to the above. Attempting the near impossible task of drawing business/corporate jobs to the existing and newly developed business centers with better jobs. The rest will take care of itself. (shopping, more income to village, jobs for the teenagers, over time)	6/22/2014 6:05 AM
180	Lower taxes. Keep regulations for businesses to a minimum	6/21/2014 3:20 PM
181	Starbucks and 1 other big box store. I do not wish for Antioch to be Gurnee, but a few more options would keep more of my money in Antioch instead of Gurnee.	6/21/2014 3:06 PM
182	expanding large retail would create jobs and improve the tax base - as would more industrial parks	6/20/2014 5:25 PM

185	lower taxes & less regulation	6/19/2014 2:47 PM
186	Fill all the empty stores with decent businesses. Antioch has enough tire places and the like on 173. Antioch had the chance to get a Target and waited too long for a decision! Antioch citizens continue to spend their money in surrounding cities and towns. What's helping the tax base while property values are low but taxes continue to rise?!?! Driving by the Antioch business center on 173 (where there are no businesses) is an embarrassing joke!!	6/19/2014 2:44 PM
187	More big box stores near Walmart!	6/19/2014 2:21 PM
188	Put some manufacturing businesses in the EMPTY Antioch Industrial Park on 173 and improve the roads, etc in the now existing industrial park on Anita - and give those companies incentive to stay in Antioch.	6/19/2014 2:13 PM
189	A grocery store with FRESH produce! (and a starbucks)	6/19/2014 2:08 PM
190	Include in newsletter, a business or two that is hiring with job descriptions.	6/19/2014 2:04 PM

192	More jobs & business	6/19/2014 1:54 PM

199	I think we have enough car lots and banks. I try to support small businesses as much as possible but when you have beer cans and cigarette butts in the planters during art crawl...seriously?!? Not a good move and embarrassing when I bring visitors	6/19/2014 5:03 AM
200	More jobs growth	6/19/2014 4:46 AM
201	bring costco to antioch	6/19/2014 4:25 AM

207	Get a Tsukasa	6/18/2014 9:08 PM
208	Attract more businesses to the city.	6/18/2014 9:02 PM
209	REDUCE MY FREAKING REAL ESTATE TAXES!!! THEY HAVE MORE THAN DOUBLED IN THE LAST 20 YEARS. MY PAY HAS NOT!!!!!!!!!!!!!!!! HAS YOUR PAY DOUBLED?????	6/18/2014 8:50 PM
210	Add a Starbucks and Panera Bread to the community.	6/18/2014 8:33 PM
211	More professional development	6/18/2014 8:22 PM
212	A decent restaurant	6/18/2014 7:40 PM
213	More retail businesses in town	6/18/2014 7:23 PM

214	We could use more franchise restaurants rather than fast food. Actual sit down places. No need for any more big box stores.	6/18/2014 6:57 PM
215	Having a quality salon or other specialty stores and restaurants of a high caliber would be good. Some Big Box stores would be ok, along with some cooperate development.	6/18/2014 6:50 PM
216	Attracting new businesses and new customers.	6/18/2014 6:28 PM
217	Lower property taxes.	6/18/2014 6:27 PM
218	I get the small town feel; however, in order to improve our economy, we need to attract business of all sorts to this town.	6/18/2014 6:24 PM
219	Utilize the chain and areas around antioch to promote tourism . Build on what we have. The more visitors there are the more jobs could be created. Encourage attractions to do this	6/18/2014 6:22 PM
220	market the "cute, quaint, and uniqueness" of Antioch and it's stores	6/18/2014 5:50 PM
221	Build another hotel so the Best Western isn't the only hotel around.	6/18/2014 5:44 PM
222	More dining options.	6/18/2014 5:39 PM

224	More large commercial stores and business	6/18/2014 5:11 PM
225	Better restaurants? Higher quality of water front restaurants?	6/18/2014 5:10 PM
226	Get ride of the two car part stores, we only need 1. Tear down the eyesore that use to be a bank at the corner of 173 and Deep Lake and add a Starbucks. And most importantly, we were suppose to get done grand Antioch Marketplace which included a ton of retail and restaurants. We want that back. Instead we are full of banks, car part stores, and tire shops. And tear down Aldi. The hours are ridiculous.	6/18/2014 5:04 PM
227	Maybe a target on the outskirts of Antioch, down 173 towards 45.	6/18/2014 5:02 PM
228	carriage rides in the town, more shops, antique stores, this is a Norman Rockwell type town and people love stuff like that. Play up the history of Antioch, get the movie theater open.	6/18/2014 4:58 PM

238	attract more walkable shopping	6/18/2014 4:11 PM
239	Additional Attractions, activities & resorts but keep the "Small Town" feel - Don't need traffic issues (more than we have)	6/18/2014 4:11 PM

245	A Toll road on Route 173 (It's a Joke! Get it?!)	6/18/2014 3:53 PM
246	More development in the Hwy 173 corridor (Target, Lowes, Costco, Best Buy, Etc) Shopping & Dining in question #7 should be separate.	6/18/2014 3:49 PM
247	Tax incentives - lower taxers draws more people (business & homeowners) = more revenue in the long run.	6/18/2014 3:37 PM

252	continue development of downtown and have promotions for residents to shop there. coupons, etc.	6/18/2014 9:44 AM
253	Costco is a good example of an opportunity missed. Why do we have such "culinary delights" such as Taco Bell, McDonald's and Burger King like any other wide spot in the road? There is very little imagination in food choices.	6/18/2014 9:44 AM
254	Improve downtown shopping options and parking	6/17/2014 4:52 PM

260	Shopping mall	6/16/2014 11:31 PM
261	More business, means more tax money towards schools, utilities, etc...	6/16/2014 2:45 PM
262	Antioch business center should have happened, but the administration was worried about what kind of trees were going to be planted instead of looking at the big picture. Multi-millions \$\$\$\$ opportunity and your care about what type of tree so early in the stages. Inexperience was really evident during those town hall meetings.	6/16/2014 2:29 PM
263	Bring in businesses, make it attractive. I have heard business do not want to come to Antioch because of the red tape and expense. Seems kind of crazy for a town that needs business.	6/16/2014 2:24 PM
264	better shopping and dining options	6/16/2014 1:40 PM
265	To focus on Antioch to be an unique town with an old fashion feel but to bring some larger commerce to the outlying part of Antioch. There needs to be a focus on bringing young families to the area to help support the schools whose numbers are going down due to no one moving out to this area. Also, there needs to be a focus on bringing large companies to the area. Taxes are becoming a problem here and many folks are leaving the area due to it.	6/16/2014 1:06 PM
266	shopping; this would provide jobs and commerce; this could help with taxes	6/16/2014 11:26 AM
267	Larger stores, maybe a bigger water park for the summer.	6/16/2014 11:17 AM
268	Diversity in the stores to open.	6/16/2014 10:04 AM

273	2 things - less banks - more shopping and dining options.	6/15/2014 10:42 AM
274	I would prefer independent stores and restaurants in the area and I would not like to have big stores in town.	6/15/2014 9:33 AM
275	A restaurant like Dennys or Applebee's	6/14/2014 9:10 PM

276	Chamber of Commerce with a director to work with all of Northern Lake County Communities for collaborative efforts, and marketing programs to attract new business to Antioch, there is no excuse for an empty business park....that is an insult.	6/14/2014 9:06 PM
277	The need for some unique stores such as Trader Joes, Starbucks, Panera not the common "big" boxes Target or Best Buy. My suggestion are not your typical fast food or grocery businesses. I think the town could "support". There aren't these types here.	6/14/2014 9:33 AM
278	Public parks on a lake. Concession stands could bring in revenue. Perhaps a bandshell on one of the lakes. Also more clothing stores that are upscale, like J.C. Penny, Macy, along those lines.	6/14/2014 7:47 AM
279	More sales tax producing businesses.	6/14/2014 12:03 AM

284	A nice large-ish classy B&B/resort complex would do wonderful here, year-round, I believe, if placed and marketed strategically!	6/13/2014 5:09 PM
285	Please see my "Antioch Marketpalce" comment	6/13/2014 5:03 PM
286	Quit pandering to the local yocal downtown junk shops. Including the Mayors. We were supposed to be getting a Target, a Home Depot but the board killed it by dragging their feet. Now all of the sales tax revenue goes to Gurnee and Pleasant Prairie and the residents of Antioch waste all of their money driving to spend in other communities. It is not rocket science!	6/13/2014 4:50 PM
287	More large businesses to lower the residential tax burden.	6/13/2014 4:47 PM

290	Office spaces, businesses, Starbucks, or Panera	6/13/2014 4:16 PM
291	Increased home sales; more people more demand.	6/13/2014 3:45 PM
292	Encourage and attract quality small entrepreneurs. Develop them as an economic base instead of giant box stores.	6/13/2014 1:26 PM
293	More local specialty stores	6/13/2014 1:11 PM
294	More Commercial/Industrial/Professional Job opportunities.	6/13/2014 12:50 PM
295	A store like Kohl's or Ross where you could buy higher-quality items, rather than always having to shop at a consignment store or Wal-Mart. Currently need to drive to McHenry or Gurnee Mills for anything like that.	6/13/2014 12:48 PM
296	Get our businesses, incentives, and strategic plan aligned with our "Authentic" theme so we can market our community. From business opportunities to increased health care. I think the corporate park on 173 needs a new focus and perhaps augments the downtown village direction. They could be different but complimentary.	6/13/2014 12:23 PM
297	more shopping options and restaurants to give our money to Antioch and not Gurnee, Libertyville etc	6/13/2014 12:04 PM
298	Lower taxes so people have more money to spend.	6/13/2014 10:28 AM
299	I don't know how the village could accomplish anything significant in this regard.	6/13/2014 9:45 AM
300	Encourage mom and pop stores. Create an old fashioned atmosphere with consistent roof top architecture and consis tant signage.	6/13/2014 9:35 AM
301	Unify the facades to present a blended quant downtown and cleanup the back of all the downtown buildings - it looks like an alley	6/13/2014 9:25 AM
302	Specialty stores	6/13/2014 9:05 AM
303	More dining options	6/13/2014 8:26 AM
304	on and off ramp at I94 this may bring that businesses to the business center	6/13/2014 8:09 AM

## Village of Antioch Community Vision Survey

305	Lower taxes to attract business and light industry.	6/13/2014 7:16 AM
306	Really...	6/13/2014 6:55 AM
307	more 50+ activities collaborating with county wide senior organizations. that's where the disposable income is - this is likely the last generation of pensions, multiple pensions, 401 K's and SS	6/13/2014 6:44 AM
308	Better restaurants. Paradise is the best we've got; David's is over priced; Oliverii North's quality of food is low;	6/13/2014 5:30 AM
309	Bringing manufacturing or other type of industry to the business park on rt173	6/12/2014 11:50 PM
310	Allow retail developers to develop! The Village fought against commercial development but allowed bankrupt (and morally corrupt) developers run all over the planning board and do whatever they wanted. Chicago lawyers but the screws to the Village attorney. They said screw the long-term village development plans made in the 90's. Homes on the east side of town were to never have been at that density they are. Antioch does NOT need any more rental property!	6/12/2014 11:45 PM
311	not sure	6/12/2014 11:11 PM
312	How about a Panera in the vacant former Walgreens on 83 and 173? Also, we need a chain full-service restaurant in town, like a T G I Friday's, or Chili's.	6/12/2014 9:49 PM
313	Put Panera bread or Trader Joes in the old Walgreens store	6/12/2014 9:44 PM
314	High demand jobs,	6/12/2014 9:13 PM
315	More family campgrounds. Clean up the chain located campground and make a fun place to visit. I would love to have a target, lowes, Wendy's and a panera bread. Use some of that space on 173 that is empty. What is it the corporate park? Really? Let's get some businesses in there that can make some revenue!	6/12/2014 9:07 PM
316	making better choices when selecting developers make them pay for things more than in the past. start utilizing the empty lots right on main street some way.	6/12/2014 9:07 PM
317	adding 1 more big box store would be nice because most of us go to gurnee to shop	6/12/2014 8:52 PM
318	More corporate development for professional jobs	6/12/2014 8:37 PM
319	Overall higher quality of services, shops, restaurants, etc.	6/12/2014 8:20 PM
320	Attractions that would "draw" people to our town. Capitalize that this is more than a summer town, create shopping, dining, and activities, such as the wine walk, halloween howl that attract other towns people. The parades in Antioch are also well attended, perhaps some functions after parades (like the 4th) that all could attend.	6/12/2014 7:08 PM
321	unsure	6/12/2014 7:04 PM
322	More retail and work to fill the vacant industrial park on the east side of town	6/12/2014 6:59 PM
323	Jobs	6/12/2014 6:56 PM
324	Collaboration	6/12/2014 6:42 PM
325	Bring in large businesses to generate revenue.	6/12/2014 6:41 PM
326	Adding more mainstream shopping so that I residents wouldn't need to drive to Round Lake, Gurnee, Kenosha areas to purchase goods and services available there but not here.	6/12/2014 6:37 PM
327	Help the small business owner with lower taxes. Maybe we would get more people to want to open up shops here.	6/12/2014 6:00 PM
328	I would love to see a Target or Whole foods, trader joes, panera bread or starbucks.	6/12/2014 5:52 PM
329	More upscale than Walmart places to buy clothes, shoes and items for family and home. . Also a more variety of restaurants - non large chain.	6/12/2014 5:45 PM
330	Move on plans to expand more stores and chain restaurants	6/12/2014 5:42 PM
331	More commercial development. Attract people to us to spend money, instead of leaving.	6/12/2014 5:34 PM
332	Keep it small and quaint with unique stores and restaurants NO chain restaunts	6/12/2014 5:28 PM
333	more jobs	6/12/2014 5:22 PM

## Village of Antioch Community Vision Survey

334	Help the small shop owned to keep prices competitive for local shopping	6/12/2014 5:06 PM
335	Beautifying the Chain of Lakes area and capitalizing on that as a resort/tourist attraction. Right now it seems kind of junky (at least along Rte 173). Would love to have a Starbucks and more restaurants too.	6/12/2014 5:03 PM
336	More commitment to keeping downtown a vital part of the community.	6/12/2014 4:57 PM
337	lower taxes	6/12/2014 4:50 PM
338	Industrial or heavy commercial employers	6/12/2014 4:42 PM
339	Revitalize industrial/commercial areas with incentives for new businesses.	6/12/2014 4:32 PM
340	Another sit down restaurant like Cracker Barrel. Right now our choices are Las Vegas, Culvers, and a few others on Main Street and Rte 83.	6/12/2014 4:25 PM
341	Fill all vacant stores near the Pig	6/12/2014 4:17 PM
342	Restaurants and shopping at stores that have variety of products. Brings in more jobs and tax money	6/12/2014 4:09 PM
343	Develop the new Industrial/Office Park on 173. It's totally empty!	6/12/2014 4:08 PM
344	Keeping all the empty stores in Antioch full of businesses.	6/12/2014 3:58 PM
345	Cant think of anything	6/12/2014 3:58 PM
346	Bring the stores in!	6/12/2014 3:52 PM
347	Our downtown is thriving but we need to draw more attention to it.	6/12/2014 3:52 PM
348	Promote new business growth with shopping and dining options. We typically go to Kenosha or Gurnee for restaurants and shopping.	6/12/2014 3:46 PM
349	A Costco near by would be awesome!	6/12/2014 3:44 PM
350	Adding more high skilled jobs to the community. Attracting medium sized firms to relocate HQ's to the development part east of town would be a great start.	6/12/2014 3:18 PM
351	not sure	6/11/2014 4:39 PM
352	Get rid of the mosquitoes so people want to hang around outside. Public areas should be sprayed - parks, fields, anywhere people congregate. Antioch doesn't care about their people.	6/11/2014 1:35 PM
353	I'd like to see more restaurants & small boutique type shopping.	6/11/2014 11:08 AM
354	lower taxes - more businesses	6/11/2014 11:01 AM
355	Demand that lot owners clean their lots and buildings. When investors see broken windows or falling gutters, they won't bring their economy to ours. I see many differences as I take Metra to Chicago.	6/11/2014 10:36 AM
356	Sweet tomatoes (restaurant) US Bank Branch (vacant space @ Rt 173 & Deep Lake Rd)	6/11/2014 10:29 AM
357	Develop businesses in the corporate business parks for tax base similar to vernon hills, linconshire, libertyville.	6/11/2014 10:19 AM
358	Possibly switch up what is currently being used for melting ice, maybe a more chemical mixture with salt.	6/11/2014 10:09 AM
359	Lower the water & sewer bill - way to high!! Hire people over 50 to work. More free benefits for seniors and the disabled.	6/11/2014 10:03 AM
360	More jobs available to young people. Public transportation.	6/11/2014 9:57 AM
361	Could use some chains such as Panera, Chilis, Applebees. We have fine dining, family & fast food. There's a gap! A quality bakery like Jarosh in Elk Grove. Need better than Piggly Wiggly. Butera possibly? No more empty banks! Need exclusive type Main Street to draw tourism. Open stores Mondays as well. Business/offices too many closed stores. What is the business park future? Complete fibre optics wiring through all of Antioch for speed. Faster more complete computer capabilities. Need competitive AT&T services (Comcast needs competition)	6/11/2014 9:48 AM
362	Think the above grid should include dining. More high quality emphasizing fresh food. I'd kill for a really nice breakfast/lunch restaurant like Libertyville's wineberry or Egg Harbor. Same for dinner - we are so quick serve & greasy spoon oriented. Think specialty and link it to the lifestyle corridor concept.	6/11/2014 9:15 AM
363	Increase restaurants, movies, and stores	6/11/2014 8:04 AM

## Village of Antioch Community Vision Survey

364	More trendy specialty stores	6/10/2014 3:33 PM
365	give us more places to shop and spend our money in our own community.	6/10/2014 1:34 PM
366	I love our hometown feel, all the ongoing events and I appreciate wanting to protect our local business. However it is proven those local business will thrive because we will bring in more for chain stores. Things like Star bucks, Panera more Restaurants and bars. I think we have the potential to be a smaller version of Libertyville with our great downtown. Look at Wings etc, Anastia's and the Lodge, those type of places are always packed, keep it going. For what we pay in taxes there has to be more reasons that keep people staying.	6/10/2014 1:14 PM
367	Home builders and retail developers (no tax breaks)	6/10/2014 1:10 PM
368	More anchor stores so we don't have to take our business up to Kenosha or gurnee	6/10/2014 12:22 PM
369	Less taxes equals more spending	6/9/2014 10:43 PM
370	More businesses would help reduce the tax burden but would impact the small town feeling. Some of the current businesses struggle due to the seasonality of the area.	6/9/2014 10:20 PM
371	More boutiques keep to the small town feel but play on it more. Have more events geared toward woman and shopping. We are good at it and love small boutiques with unique items. We also love girls days out. There is a very cute town in Wisconsin called Cedarburg which does great business and keeps there small town integrity. Really need more shops geared toward woman. More upscale handmade jewelers so many people have dogs and it would be in your interest to cater to that. I know we have groomers but we need somewhere buy gourmet treats from. Hannahs is good but it's got a big box feel to it. Something boutique size but not to expensive. Women love shoes and I know Lake Forest Bootery is very popular in Libertyville. A cute ice cream parlor parents can take their children to after a movie would do well too.	6/9/2014 10:36 AM
372	Bringing in more larger stores and restaurants to help with the taxes. Please NO more stores like Walmart and Aldi! Starbucks would be wonderful!	6/9/2014 9:21 AM
373	More retail & manufacturing.	6/8/2014 10:13 AM
374	More Large Stores	6/8/2014 9:23 AM
375	A stronger industrial park and more commercial business located in the right locations.	6/7/2014 8:31 PM
376	Starbucks! :)	6/7/2014 7:38 PM
377	Starbucks	6/7/2014 9:32 AM
378	WE NEED TO BRING MORE BUSINESSES TO ANTIOCH. We need better park district programs and schools. We need to upgrade this town and the way to bring money is through business taxes. Plus we can get the lower skill level people working with more big box stores that employ a lot of people.	6/6/2014 7:39 PM
379	I think we have a good economy and have no issues to expound upon	6/6/2014 7:48 AM
380	Not sure	6/5/2014 10:11 PM
381	I don't want to see a lot of large stores because it would mean more traffic. I believe something like a Panera Bread or Starbucks would be nice.	6/5/2014 9:49 PM
382	Large stores	6/5/2014 8:53 PM
383	Help the small, independent /specialty stores and shops succeed and flourish.	6/5/2014 5:05 PM
384	Shopping and restaurants that are in neighboring towns need to be here	6/5/2014 4:00 PM
385	More large stores and proceed with the partially started " Business Center" development on the Eastern edge of Antioch,	6/5/2014 7:24 AM
386	I think offering more opportunities for small, local, independent businesses would help bolster the village's economy.	6/4/2014 10:45 PM
387	large stores	6/4/2014 9:16 PM
388	more shopping options	6/4/2014 6:23 PM
389	Availability of parking in the downtown area. More restaurants like Libertyville.	6/4/2014 5:43 PM
390	Stimulate the economy here so you can get tax dollars outside of resident pockets.	6/4/2014 4:52 PM

## Village of Antioch Community Vision Survey

391	big name stores and restaurants	6/4/2014 4:11 PM
392	Bring more businesses into the community so that the tax base is broader and the local citizens are gainfully employed.	6/4/2014 2:59 PM
393	More dining options	6/4/2014 2:44 PM
394	Downtown Antioch shops seem to be operated as hobbies, not businesses. They always seem to be closed when I want to shop. If they had better hours, more people would shop in Antioch. Also: take a look at Geneva IL. My wife and I drive down there a few times a year, just to shop (and we rarely shop!). Geneva has a great variety of shops that sell things people want to buy. Would be great if Antioch could become that.	6/4/2014 2:42 PM
395	The need for tax generating cash cows as listed in item 9 above.	6/4/2014 10:13 AM
396	Incorporate the unincorporated areas of Antioch so more money is generated in town.	6/4/2014 9:01 AM
397	A hospital	6/3/2014 9:24 PM
398	More festivals and events throughout the year, especially during spring, summer, and fall months.	6/3/2014 7:09 PM
399	A movie theater nearby - not necessarily within the downtown location but perhaps near the Walmart area. And more dining options such as those located in Round Lake - Buffalo Wild Wings, Applebee's, etc.	6/3/2014 3:02 PM
400	Add additional functions in town and charge for them.	6/3/2014 12:52 PM
401	Starbucks	6/3/2014 6:45 AM
402	Expand on the quaint small town feel. Do something to attract more artists and unique items.	6/2/2014 1:12 PM
403	a Whole Foods or fresh market store. There are none in the area. A craft beer festival. a better farmers market with less imported expensive items and more local foods.	6/2/2014 9:31 AM
404	Having a bigger business or corporate area that provided good paying jobs. Closer shopping, better places than Walmart and pigly wigly- they are terrible stores. Jewel is ok. Menards is ok but too much cheap stuff there.	6/2/2014 8:15 AM
405	We need more businesses...	6/2/2014 6:49 AM
406	INCREASE RESIDENT AWARENESS OF BENEFITS OF SHOPPING LOCAL.	6/1/2014 9:31 PM
407	Improve the demographics so stores like Target will come here... Too much low income housing	6/1/2014 4:01 PM
408	More Stores. More industrial firms.	6/1/2014 8:28 AM
409	Keep the shopping pending money in Antioch instead of sending it to Gurnee or further south suburbs	5/31/2014 8:03 AM
410	More variety for shopping and dining out.	5/30/2014 3:50 PM
411	Again, difficult to strike a balance, but ... here's the thing. High quality retail is one of the elements that attracts people interested in investing their money and family lives in a community. I think the health of downtown Antioch is vital to its success. I think the retail that is succeeding there does so because it coexists with--and doesn't try to compete with--the behemoths like Wal-Mart. Small, boutique-y type of places that offer an experience you can't get at Wal-Mart. For example, I'm not going to go to Wal-Mart to get a hand-crafted scone and high-end cup of tea. Along those same lines, I love Cafe Book for its unique sense of "place," which is so far removed from the everyday sameness of a chain restaurant in Gurnee. Again, if you want to attract young families and entrepreneurs who think they can make the most of a place that appreciates unique retail and artisan-type offerings, Antioch has to continue to show it values independent stores in addition to the inevitable "big boxes."	5/30/2014 9:59 AM
412	don't know	5/29/2014 3:04 PM
413	Developed Corporate Center on 173 and more industry on Depot street.	5/29/2014 2:33 PM
414	Right now I shop in Pleasant Prairie or Gurnee because that's where the stores are. Better dining options would be great. There seems to be little beyond fast food and diner chow and then very high-end. Maybe encourage some farm-to-table eateries? How about connect to the trail systems? Encourage more cafes and places to hang out?	5/29/2014 12:46 PM
415	Give more discount rent to downtown so more local independent businesses open	5/29/2014 7:02 AM
416	Starbucks, Target	5/28/2014 10:27 PM
417	A place for children to play such as a play cafe, and more dining options	5/28/2014 7:06 PM

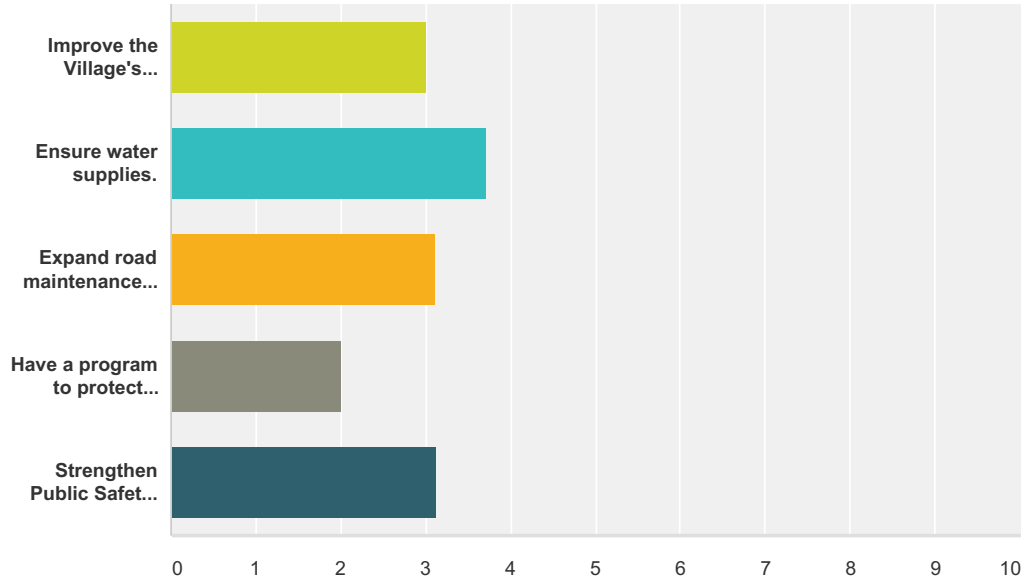

## Village of Antioch Community Vision Survey

418	Make progress on the Antioch Corporate Park on 173. Would be great to get some white collar type jobs developed in there.	5/28/2014 6:58 PM
419	Improve the quality of the specialty clothing stores (merchandise and internal decor)..	5/28/2014 4:07 PM
420	Better selection of retail/restaurants. Brings people and more tax dollars.	5/28/2014 3:57 PM
421	Developing commercially zoned property to offset property taxes. People will be more likely to spend money and stay in Antioch instead of shopping in neighboring areas.	5/28/2014 1:44 PM
422	Biking trails/sidewalks to enable people without cars a safe way to get into town to work.	5/28/2014 10:04 AM
423	More well known franchise business...Panera, Starbucks,	5/28/2014 9:13 AM
424	More dining options	5/28/2014 7:05 AM
425	More tourism. Bring people into events like the wine walk, taste of summer, carnival, etc.	5/14/2014 2:11 PM

147	The district needs some stability. With low teacher salaries - this will always be a "stepping stone" to a better paying district. Why not offer some incentives for living and teaching in this town like many towns used to do with Superintendents? 190	K-12 education: our middle school does not prepare students to the standard of surrounding schools. We are setting up our children to be behind their peers when they get to high school. They need more opportunities for accelerated and honors classes in reading and math.	6/13/2014 1:13 PM

And more options for families such as connected bike/park trails and a free water playground/splash park.	6/30/2014 11:47 AM

We are talking about the recent news article that talks about the academic success of our high school students and the award given to district 34 for excellence in student achievement. 87	Cleaned up. Route 173 expanded. More shopping and tourism, resorts, hotels, nice restaurants. Highlight the Chain of Lakes as a beautiful place to vacation or visit. It just seems like a dumping ground for people to litter and have run down houses . Take a drive down 173 all the way to Lake! Wow! It's pitiful. It's scary. It's scummy! It's nowhere anyone would choose to come.	6/25/2014 10:02 AM

99	Filled with happy residents because: plenty of shopping excellent schools less traffic activities for all ages	6/24/2014 9:49 PM
100	An ideal Antioch would be more accessible, have at least one chain family restautant and a good coffee shop for catching up with friends. Library hours would be 10 to 9 weekdays and it would be open Sundays year round. There would be a family and an adult activity monthly. Downtown would be supported and active. ## Village of Antioch Community Vision Survey

107	I would like to see the Clublands community fully developed, more businesses/restaurants brought to town, the ARS situation under control, lots of family friendly, clean parks.	6/24/2014 8:29 PM

111	My ideal Antioch would still be a safe and family friendly town with expanded community facilities which would help create more jobs. Additional shopping and commercial entertainment facilities to attract tourists while creating jobs for our community. It would nice to see our community create a job placement/education service for our residents to gain employment for the new businesses to the area.	6/24/2014 7:56 PM

114	Mini Vernon Hills or Libertyville. Cultural aspects (arts), Good Schools, High property values, Criminals are afraid to enter, No sense that the village is almost a trailer park.	6/24/2014 7:19 PM
115	Progressive and a community leader ahead of other burbs.	6/24/2014 7:00 PM
116	In 2024 Antioch should have less rentals, especially low cost housing. The community should attract people who care about their neighborhood and who work to ensure its integrity. The village would be more than a bedroom community of commuters to work. It would offer substantial jobs for parents to work close to where their children go to school and will be able to fully participate in activities without sacrificing time to their jobs. It sounds Utopic, but it's possible.	6/24/2014 6:58 PM
117	Active Main St that is clean, attractive. Active church functions that the community can support. Band shell area should be busy all summer. Continue parades.	6/24/2014 6:53 PM

125	The questions should be "Ideal Antioch in 2018", we need to fix things now!	6/24/2014 12:45 PM
126	Beautifully kept waterways and parks. Positive minded adults running our businesses & schools.	6/24/2014 12:37 PM
127	Good roads, many retail choices, business tax income, a well run, modern village government, no 1950's like now!	6/24/2014 12:30 PM
128	My son safely gets of the bus, we decide to go to the carnival, it's a nice time and fairly priced, but I have to run into the shop across the street a grab a cute pair of shoes to wear out with my girls and there is a shop & I get a pair, then we go out to dinner & the food is wonderful & so is the staff, my Dad meets up there, we grab ice cream & all ride our bikes home down the unflooded bike path & it smells good because they fixed the sewage treatment plant.	6/24/2014 12:27 PM

137	There are no eyesores when you drive down main street. That really ugly & no good Chinese carry-out place is gone (North of Inifnitea). There are several healthy food eating places to choose from. north of Main & Orchard is completely cleaned up & made useful. AES is torn down & that space used for more businesses. The "hair" places are reduced to 1/2.	6/23/2014 10:17 AM
138	Preserve the downtown (Main St.) and increase shopping in outer areas.	6/23/2014 9:50 AM
139	A place where people want to live and work - having great schools, wonderful recreational areas and opportunities. Thought of as a family friendly place where people want to live and grow old.	6/23/2014 9:43 AM

142	A hometown with tree-lined streets, flower boxes, friendly businesses on Main Street, sidewalk dining, benches for resting, interesting and varied shops, good train and taxi services, easy parking and that is walking-friendly. It should be a home town of ease, beauty and comfort. Life is going so fast & loud that we'll need places of respite and serenity.	6/21/2014 3:35 PM
143	We have a Starbucks and maybe one other store such as Kohls. We have the same amazing programs we have now. We have a REAL brick park district building. 149	Antioch should be a place where individual home owners are valued instead of making it easy for landlords to buy houses and destroy neighborhoods with people who don't care or respect others. Ordinances for dogs are too lenient and do not respect property owners.	6/19/2014 2:52 PM
150	Knowing I could defend myself/family on the street if need be - conservative policies	6/19/2014 2:49 PM

161	Needs better public transportation from town to the big box stores and weekend train service to down town chocago	6/19/2014 5:37 AM
162	A more beautiful and natural downtown area. The empty lots are an eyesore. The plaza near the depot is almost vacant and update the parking for the metra. Who has time to shove quarters in a box? Hopefully the theater will be renovated and the owners will actually clean the floors between movies	6/19/2014 5:12 AM
163	Cleaned up areas of town that are low quality housing and appear "trashy", better roads in subdivision, some additional business access (best buy/costco/restaurants/etc) but NOT Gurnee level, The CHAIN is CLEANED UP and not as trashy as it has become, and some additional growth of population- maybe no more than 15k more residents	6/18/2014 10:30 PM

167	It's clean and the 12 year Olds aren't running around smoking pot and having sex in the woods	6/18/2014 9:12 PM
168	A growing city both residentially and commercially.	6/18/2014 9:11 PM

192	in keeping with the small town feel with the innovations of the year 2024.	6/18/2014 11:21 AM
193	Antioch needs leaders with a comprehensive vision and plan. It seems Antioch is looked upon from those who live and work here to be antiquated.	6/18/2014 10:00 AM

200	More shopping, public transportation in Antioch.	6/17/2014 8:47 AM
201	I really would like it to look pleasant. I would like business brought in, I would like trails and bike paths. I run. I can only run certain times of day because if I have to run any length, I need to be careful of traffic because I am running on the side of busy roads. It shouldn't be that way. My taxes are insane in comparison to other communities that have much more to offer.	6/16/2014 2:45 PM
202	I like our small town community feel but would like to see more shopping and dining options; I like the activities and opportunities to be involved our twon offers. A real aquatic center is large enough to meet the amount of the people in town. Piggly Wiggly strip mall torn down and redeveloped. A mayor and board which have been well traveled and no what a good town can look like. There are many not far from Antioch. Less money spent on fancy fire trucks which get most of there use going to the donut shop and the parade.	6/13/2014 5:08 PM

222	I am happy with the 2014 Antioch, so just proceeding from here...	6/13/2014 12:25 PM
223	One in which a financially responsible Govt is an assumption. Where our community can openly engage in assuring our economic development that is consistent with a unique identity reflecting the "Authentic Antioch" theme. This need definition and "chartering" on direction but fully fits with developing a unique and marketable community that sustains a safe, innovative and family oriented environment.	6/13/2014 12:23 PM
224	we live in the Woods of Antioch and some of our streets have huge cracks with gravel showing. Our taxes are being paid but the streets are not adequately maintained. 236	Tiffany Farms Road re-paved, wooded bike/jogging trails near one of the lakes, a Panera in the vacant former Walgreen's building, a Fridays restaurant in town, lower real estate taxes, and more community involvement by all.	6/12/2014 9:57 PM
237	no more than 20,000 people	6/12/2014 9:55 PM
238	Still old time Antioch but with an updated attitude to entertainment and unique shopping downtown. More unique restaurants, a great update home town theater. Out skirts of town will have the big box stores that bring people in to shop from lindenhurst, lake villa, wi. They shop then go have lip hunch downtown. More inviting lake view accessible restaurants. Family friendly campgrounds.	6/12/2014 9:18 PM
239	better schools, more senior living, a park district	6/12/2014 9:17 PM
240	Safe place to let our kids play outside without fear of strangers	6/12/2014 9:00 PM
241	Ability to walk anywhere in the town with sidewalks throughout. Winter festival and fall festivals to keep tourists and Antioch residents engaged in the town at those times. Not a lot of big box but kohls would be nice	6/12/2014 8:46 PM
242	The same charm and character, but with a wider variety of quality businesses, more signs of economic growth, and better flood control.	6/12/2014 8:44 PM
243	A government that's working to bring in quality economic development to provide job opportunities, shopping and entertainment. This wil thereby lower or at least stabilize property taxes,	6/12/2014 7:57 PM
244	Sidewalks for our children to walk to school safely.	6/12/2014 7:11 PM
245	10 years from now??!! Can we wait that long??	6/12/2014 7:11 PM
246	An ideal Antioch would incorporate sustainable mainstream retail economic development that would lead to greater opportunities for enhanced quality of life initiatives whereas residents could partake of the benefits of such a lifestyle rather than residents needing to seek these benefits in other surrounding communities.	6/12/2014 7:02 PM
247	Beautiful main st. Easy access via bike/walking to in town events. Better schools. More dining. Good quality water. No fall apart buildings and junky open main st lots. Safe and friendly. Good places to eat. More small business shops and food. Nice whole food type of market.	6/12/2014 6:00 PM
248	I would love to see a bustling community similar to Libertyville where there is a variety of options for all residents.	6/12/2014 5:57 PM
249	Country living	6/12/2014 5:33 PM
250	at 85 hope I'm still around	6/12/2014 5:29 PM
251	A place where people from neighboring communities see that they'd like to visit often and perhaps emulate.	6/12/2014 5:06 PM
252	I like Antioch now. I think very limited, strategic growth will maintain what drew many of us here.	6/12/2014 4:56 PM

## Village of Antioch Community Vision Survey

253	A place where people of faith/family values feel connected and have opportunities to grow through educational, cultural, and recreational opportunities and live their lives purchasing daily living items and dining out in their own community.	6/12/2014 4:33 PM
254	A greater concentration on fall and winter events. We have lots to do in summertime, but the kids get bored, families have nowhere to go, there is no plan for the cold months. An ice skating rink?	6/12/2014 4:25 PM
255	What it is now with a hopefully successful Office Park	6/12/2014 4:15 PM
256	Less focus on the downtown area and trails that take you to all directions of Antioch	6/12/2014 4:15 PM
257	All the empty stores filled with thriving businesses. Antioch Fire & Rescue working together for the good of the community.	6/12/2014 4:07 PM
258	A community that inspires healthy living & growth in a variety of ways. We have a Mariano's or Whole Foods that can be reached by bike/foot traffic. After shopping I can ride downtown with the kids on our bikes to DQ for some ice-cream, then take in a movie in the park with some friends. My kids will be able to converse in English, Spanish or Mandarin, which along with the innovation and creative problem solving skills they have been taught is allowing them to attend the college of their choice. Both kids will be active in community volunteer programs that give them opportunities to learn skills and network with professionals in the area. Property values will have increased, but property taxes decrease as we've added a couple of big box stores and 2-3 medium size corporations to offset the need for homeowners to shoulder the responsibility alone. The community still has a home town feel and is inclusive of new comers.	6/12/2014 3:33 PM
259	n/a	6/11/2014 4:40 PM
260	walking and bike paths. fiscally sound. excellent schools. more recreation programs for kids and gathering areas with tennis courts and basketball courts within walking distance of village neighborhoods. would love to see Antioch and the surrounding communities work together to improve the Hastings Lake YMCA!!!!	6/11/2014 3:09 PM
261	I'd love for Antioch to have the same small hoetown feel it has always had with more restaurants and boutiques and continue to make improvements with natural areas and public works.	6/11/2014 1:31 PM
262	Still the quaint Village with a few more businesses restaurants.	6/11/2014 11:05 AM
263	One village that remains friendly and looks out for visitors and citizens alike. More stores which will bring people here. The BEST thing about Antioch is the kindness and generosity of the residents.	6/11/2014 10:41 AM
264	Thriving community that is actively growing and keeping up with technology. Email/FB alerts for public safety and events. A community that helps us neighbors in times of need 0 not just the veterans but also for someone who has cancer/illness with no income or medical insurance.	6/11/2014 10:30 AM
265	Vernon Hills, IL. Busines type counter to be the catalyst for other coummunity goals - providing the revenue to attain the objectives.	6/11/2014 10:22 AM
266	I would hope for that family feel type town that we currently have with more modern stores down 173.	6/11/2014 10:13 AM
267	Safe and financially secure. Open businesses like it was 40 years ago.	6/11/2014 10:05 AM
268	Vibrant economy with balanced approach to protecting our natural environment with jobs for our young people and adequate public transportation connecting us to the rest of the county.	6/11/2014 10:00 AM
269	Safe, economically sound, no hunger or homeless. Highest education opporutnities. Higher teachers salaries. No empty buildings. More industry and jobs. A proud community with affordable living.	6/11/2014 9:54 AM
270	Stong business core in CBD with re-vamped sector west of downtown and a developed area (with residential) on old Pitman stie east to Metra Station. More metra trains and creation of a bike path system (lifestyle corridor plan). NO more sprawl - now that we have pricy infrastructure extending to business park, so be it, but don't make that mistake again Antioch could be so much taking advantage of our core area.	6/11/2014 9:23 AM
271	Schools that I would be proud to say my children attend.	6/10/2014 3:38 PM
272	LESS TAXES!!!!!!!!!!!! Sorry to keep coming back to this but I cannot stress this enough. We all know there are other ways of bringing in money. Have you looked at the houses for sale & Foreclosing on Zillow's map in Antioch...WOW it is in embarrassing? Obviously there something needs to be done.	6/10/2014 1:22 PM
273	That is a long ways away how about making some major changes by 2019	6/10/2014 1:22 PM
274	I'm fairly happy with the way it is now. My biggest complaint were the options for preschool and economic development but overall this is a fantastic town	6/10/2014 12:30 PM

## Village of Antioch Community Vision Survey

275	More doing and less politics.	6/9/2014 10:48 PM
276	Unless the taxes go down, I won't be living here in 2024.	6/9/2014 10:26 PM
277	A safe community with a strong sense of family and local economic growth. Keeping it small town and taking care of their small businesses.	6/9/2014 10:49 AM
278	A larger city with more industry, that retains its small town appeal.	6/8/2014 10:24 AM
279	Hopefully to have a well develop infrastructure.	6/8/2014 9:44 AM
280	Antioch would have bike lanes on all streets (and they'd be used by healthy people - not people with DIUs carrying a 6-pack), the downtown would light up at night with trendy restaurants (al fresco dining in the summer), unique high end shops, and lively entertainment venues. There would be no electric supply, limo service, junk/thrift shops, or similar. The "industrial" areas would be cleaned up with no chain link fences or visible junk and they'd take pride in their buildings and businesses. The schools would have the money to make use of technology and offer advanced learning opportunities. The kids would all be in real classrooms, not portables. There would be a large community center like the RecPlex, where there's always something active and positive to do. The kids and teenagers would feel empowered to succeed and have positive, successful role models in the community to look up to. The lawns would be manicured, the houses well-maintained, and the residents clean and friendly.	6/6/2014 8:09 PM
281	We love living here and all Antioch has to offer. We would love to see a Mariano's and a Target store here.	6/6/2014 7:53 AM
282	A family friendly community that is safe has a great education system, fun activities, and shopping	6/5/2014 9:05 PM
283	Better support for the growth that has been experienced. More police/fire/EMT. Better roads to alleviate the horrible traffic.	6/5/2014 5:09 PM
284	Clean, well managed village with thriving well run large and small businesses. No more shack bars along Rt 173.	6/5/2014 7:32 AM
285	A vibrant village with even more local businesses and community events that still has a small-town feel.	6/4/2014 10:53 PM
286	large, functional park district that offers sporting teams, travel teams, family outings and opportunities within Antioch	6/4/2014 9:20 PM
287	a safe community with a thriving economy and more options for dining/shopping	6/4/2014 6:27 PM
288	One I can afford to live in. Please stop raising the taxes so much every year.	6/4/2014 4:58 PM
289	Antioch should be a family-oriented community with economic opportunities for its graduates to come back to. Without good jobs, Antioch will no longer be a viable option for people to reside in.	6/4/2014 3:06 PM
290	Less multi-family low income housing... more boutique shops in downtown... trails that connect to county forest preserves and allow easy bike access to all parts of town... a picturesque city square on the former car dealer parcel on the north end of downtown... four lanes on Route 173... smoother road patch repairs (unlike what currently happens on Route 83)... railroad crossings that don't break my car's suspension... lower property taxes... no more banks (not sure why so many were built by Walmart)... larger community events, like Naperville's Last Fling... no more tobacco shops... fewer resale shops... something like a Mickey Finn's or a Timothy O'Toole's... clean up the Anita Ave industrial park to attract new tenants... thanks for asking!	6/4/2014 2:57 PM
291	A re-invented community which exists to provide a great place to raise children and educate all people in a safe, friendly, economically sound and progressive environment.	6/4/2014 10:43 AM
292	A town that preserved it's small town atmosphere by not overbuilding and destroying those things that make it a safe and friendly town.	6/4/2014 9:13 AM
293	Wide open country setting like is is now. Designated commercial areas within the town. Lots of recreational activities such as boating, fishing, etc.	6/3/2014 7:19 PM
294	More shopping, theaters, dining options similar to communities like Naperville, but not to that extreme. I like the country aspect - open land - of Antioch and do not necessarily want to see the open land decrease. Perhaps build near where these types of venues already exist. Would love to see more bike trails. And, maybe more sidewalks along the busy routs such as 173 or 83 so folks have a place to walk to venues.	6/3/2014 3:08 PM
295	Safe, open, inviting, friendly, active lifestyles, healthy	6/3/2014 6:52 AM
296	Would like to see down town grow and expand to a few more streets. Host more themed festivals.	6/2/2014 1:21 PM

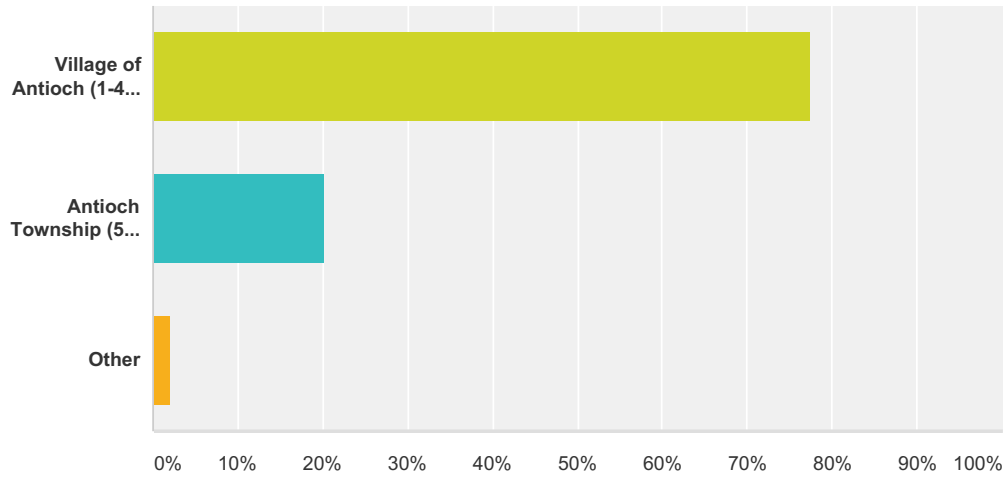

## Village of Antioch Community Vision Survey

297	An environmentally preserved town with sought after limited real estate (due to the preservation efforts) in a highly ranked school district. Family oriented events, kitchy yummy eateries as well as the staple family restaurants already here, fun festivals for adults as well as events for family. No Drugs or Crime. and no drugs as well. Did I mention no drugs?	6/2/2014 9:38 AM
298	Good Choice of nice, locally owned restaurants. Growing competing stores-Home Depot/Lowes, Good grocery stores, Corporate Center with several new businesses providing solid jobs. Growing economy-less taxes.	6/2/2014 8:23 AM
299	Lower taxes by bringing in businesses, and stop taxing the taxpayers everytime the village needs anything. figure it out, the past boards and mayors have.	6/2/2014 6:54 AM
300	KEEP THE SAME SMALL TOWN FEEL, LOCAL BUSINESSES. MODERNIZE AND IMPROVE WEST SIDE OF TOWN, CLEAN UP BAD BEHAVIOR ON LAKES AND MAKE THEM MORE FAMILY/FISHING ORIENTED.	6/1/2014 9:45 PM
301	Bring back Antioch of the 60's --small town big heart good values!!!!	6/1/2014 8:40 AM
302	A town known for its friendly people, beautiful lakes and events. A town with fantastic schools, excellent police and fire depts. A town people are proud to work with.	6/1/2014 8:38 AM
303	Economically developed area with small town appeal	5/31/2014 8:08 AM
304	A vibrant community that has maintained its small-town feel. Top-notch schools that embrace innovation. Walkable downtown filled with independent retail that is complemented by high-quality "big box" type retail on the outskirts (Costco! Trader Joe's!). Natural beauty protected, as well as the town's unique historic character. Hopefully the large lot in the middle of town will have become a beautiful park by then ... :)	5/30/2014 10:09 AM
305	a thriving downtown. less "new" subdivisions, with infrastructure improvements to older ones. still lots of community events/parades/etc.	5/29/2014 5:04 PM
306	An Antioch with a vibrant, updated downtown area including and outside Main Street with upscale and family oriented dining options	5/29/2014 3:13 PM
307	More use of public transportation, renewable energy use and promotion, consolidated school district, better parks and recreation, giant water park like Mundelein, More industry,	5/29/2014 2:38 PM
308	An Antioch that doesn't have a 2 mile backup at 173 and 45 every morning and every evening. An Antioch that doesn't have gravel trucks running red lights on 173. An Antioch that doesn't have property taxes 3x higher than a town 1 mile to the north in WI. What to aim for? A walkable/bikeable town that has charm, culture, continuity, and is accessible. There are good reasons as to why Libertyville and Highland Park are booming and desirable. We have a train station and a downtown. How do you capitalize on these assets? What is Vernon Hills (with no downtown) doing right?	5/29/2014 12:56 PM
309	Developed and thriving. Modern with historic, preserved sections.	5/28/2014 10:32 PM
310	Safe community with adequate development to support all desired activities, i.e. dining, shopping, recreation, arts & entertainment, within the boundaries of the community.	5/28/2014 7:12 PM
311	Great schools, better dining options, more recreation programs, better preschool.	5/28/2014 7:09 PM
312	A community that is thriving in public safety and schools while generating economic development so our local government can be financially responsible. General sense of family friendly oriented community that has affordable property taxes in a beautifully landscaped environment that includes nice homes, walk/bike paths and open space/parks.	5/28/2014 1:56 PM
313	Communities more connected by sidewalks bringing walking/biking folks into town for shopping and dining. Police presence known to keep safe for all residents to walk around.	5/28/2014 10:10 AM
314	My ideal Antioch in 2024 would include more green areas, open space and have walking and biking paths everywhere. I'd love to see more foot traffic, and people out enjoying nature. Ideally, people taking a Sunday walk through town to shop, have lunch, and enjoy a picnic by the creek.	5/14/2014 2:15 PM
