

VILLAGE OF ANTIOCH – GOLF CART REGISTRATION APPLICATION AND SAFETY INSPECTION FORM

The Village of Antioch does not allow side by sides, 4-wheelers, dirt bikes, or mini bikes on streets within Village limits.

Applicants must complete sections 1 & 2 and submit to Village Hall with their signed acknowledgement and non-refundable \$100 fee.
Applications will then be forwarded to the police department for scheduled inspections.

Affidavit and Acknowledgement

I, the undersigned applicant, or authorized agent thereof, swear or affirm under penalties of perjury that the matters stated in the forgoing application are true and correct, are made upon my personal knowledge and information, and are made for the purpose of requesting the Village of Antioch (the "Village" or the "Village of Antioch") to issue the registration applied for herein. I further swear or affirm that I have not omitted any information which is required to be made in these disclosures, that the matters stated herein are not misleading in light of the purposes for which the application is made, and that the applicant is qualified and eligible to obtain the requested registration.

I further swear or affirm that the applicant will not violate any of the laws of the United States of America, the State of Illinois, or the Village of Antioch relating to or regulating golf carts. Specifically, "golf cart" shall have the meaning ascribed by Section 1-123.9 of the Illinois Vehicle Code (625 ILCS 5/1-123.9).

Permitted Streets: The operation of golf carts shall be permitted on the streets or designated routes authorized by the Village of Antioch within the Village's corporate boundaries.

Operation Regulations: Where authorized, the operation of a non-highway vehicle is subject to the following:

1. Permitted golf carts are allowed to operate from April 1st through December 1st of each year with a valid registration from the Village of Antioch.
2. A golf cart shall be subject to inspection by the Antioch Police Department prior to being operated on any of the permitted streets. A fee of \$100.00 shall be assessed for the initial application/inspection of each golf cart followed by an annual re-inspection fee of \$100.00 for the same vehicle each year thereafter.
3. A golf cart vehicle may only be operated on streets where the posted speed limit is 35 miles per hour or less.
4. A golf cart may cross a road or street at an intersection where the street has a posted speed limit of more than 35 miles per hour.
5. A person may not operate a golf cart upon any street in the Village of Antioch unless he or she has a valid driver's license issued in his or her name by the Secretary of State or by a foreign jurisdiction.
6. A golf cart may not operate anywhere other than a designated roadway, and is not permitted to drive in public parks, on sidewalks or any private property.
7. Golf carts may only park in areas within the Village of Antioch where vehicles are legally allowed to park, and may not park upon any shoulder, grassy area, or right-of-way.
8. Golf Cart capacity may not exceed the capacity calculated by the manufacturer of the golf cart.
9. The operator of a golf cart shall yield the right of way to all pedestrians and emergency vehicles.
10. The operation of golf carts shall be in compliance with the provisions of the Illinois Vehicle Code (625 ILCS 5/1-100, et seq.), as amended.

Vehicle Equipment: No golf cart may be operated on a roadway unless, at a minimum, it has the following: brakes, a steering apparatus, tires, a rearview mirror, red reflectorized warning devices in the front and rear, a slow moving emblem (as required of other vehicles in Section 12-709 of the Illinois Vehicle Code (625 ILCS 5/12-709)) on the rear of the golf cart, a headlight that emits a white light visible from a distance of 500 feet to the front, a tail lamp that emits a red light visible from at least 100 feet from the rear, brake lights and turn signals.

1. When operated on a roadway, a golf cart shall have its headlight and tail lamps lighted as required by Section 12-201 of the Illinois Vehicle Code (625 ILCS 5/12-201).
2. Every golf cart must affix an orange, slow moving vehicle emblem mounted with the triangle point up on the rear of the vehicle on or near the center line as stated above. Said emblem must display a valid Village of Antioch issued registration number, in block lettering no less than 2 inches tall in black or white reflective letters.
3. Every golf cart must display an annual Village of Antioch registration sticker.

Driving Under the Influence: A person who drives or is in actual physical control of a golf cart while under the influence shall be subject to Sections 11-500 through 11-502 of the Illinois Vehicle Code (625 ILCS 5/11-500 - 5/11-502).

Insurance: Any person who operates a golf cart in the Village of Antioch shall be subject to the mandatory insurance requirements set forth in Article VI of Chapter 7 of the Illinois Vehicle Code (625 ILCS 5/7-601, et seq.)

By applying for a registration pursuant to Section 7-1-5 of the Antioch Village Code and by executing this application, the applicant agrees to comply with Section 7-1-5 of the Antioch Village Code, and to know and abide by all provisions of said ordinance and all applicable provisions of the Illinois Vehicle Code (625 ILCS 5/1-100, et seq.). The applicant understands that failure to abide by the applicable provisions of the Antioch Village Code and/or the Illinois Vehicle Code may result in fines and/or the suspension or revocation of the applicant's golf cart registration. The applicant hereby waives any and all claims against the village and hereby agrees to indemnify and hold harmless the Village and its elected and appointed offices, officers, boards, commissioners, attorneys, employees, and agents from any and all claims resulting from, or arising out of, or alleged to result from or arise out of any and all investigative activities or claims resulting from the operation of this non-highway vehicle on public streets.
